"Answering the Calls: A Child's View of the 94 Calls to Action" is the result of many hours of work by the children in the Grade 4, 5 and 6 English and Alternative classes at École Laura Secord School located in Winnipeg School Division.

"Our students and staff are learning that we need to educate ourselves about the problems in our society and that we must do the work necessary to implement the solutions proposed by the TRC," says Rhona Churman, Principal, École Laura Secord School, Winnipeg School Division. "This book started out as a much smaller project to make it easier for young people to fully understand what the TRC Calls to Action meant, and it has grown as we've learned more, and recognized the need for understanding among a much larger audience."
