

MEDIA INVITE

Seventh Annual Inner City Soccer Jamboree kicks off

Most popular and accessible sport worldwide

Jan. 28, 2015 (Winnipeg, MB) – Winnipeg media are invited to attend the Seventh Annual Inner City Soccer Jamboree Thursday, Jan. 29 (elementary) and Friday, Jan. 30 (junior high), at the University of Manitoba Subway South Complex. Over 300 students from inner city schools will participate in the event, engaging in fair play and active involvement in a sport that is loved by them all. The league and Jamboree are outstanding opportunities for our inner city students to participate in a sport with schools across the district and because of their experience and skill development in the league and jamboree, many of the students go on to play competitively in various Winnipeg Soccer Clubs.

The league is organized by the Inner City Soccer League Committee that is chaired and spirited by Peter Correia, Principal of Mulvey School. Mr. Correia has been involved in the league and jamboree since it began and is instrumental in the success, growth and effervescence of the league and jamboree.

The league and jamboree are collaboratively sponsored by The Laura Milner White Committee, W.Y.S.A. (Winnipeg Youth Soccer Association) and The Subway South Complex. Major funders include The Winnipeg Foundation, The Winnipeg Soccer Federation Subway South Complex and Peter White – Polar Bear Rubber Ltd. The funders support our students with items including facility rentals, transportation costs, uniforms, equipment, and food.

When: 10:00 a.m.-2:00 p.m. Thursday, Jan. 29, 2015
&
10:00 a.m.-2:00 p.m. Friday, Jan. 30, 2015

Where: University of Manitoba Subway South Complex
211 Chancellor Matheson Road

Media are requested to ensure children being videotaped or interviewed have been given parental permission – this can be confirmed with the attending Principals or Teachers.

DIRECTIONS

SUBWAY® Soccer South is located on the campus of the University of Manitoba at 211 Chancellor Matheson Road, just west of Bison Stadium and Investor's Group Field. If driving south on Pembina, turn east (left) on Chancellor Matheson Road and you'll see the complex on your left, just past the first set of lights at Research Road. Drive slightly past the complex and then make a left u-turn and turn immediately to your right into the parking area and facility. [Click here for a map to the complex.](#)
