1. GENERAL

- 1.1** In accordance with the Public School Act, the Winnipeg School Division (WSD) supports the concept of “school of choice” both for student residents within the boundaries of (WSD) as well as for student residents within other public school divisions in Manitoba.
- 1.2** The purpose of this policy is to enhance the educational opportunities for students without additional costs accruing to resident taxpayers.
- 1.3** A resident student is defined under the Public Schools Act as a pupil in a particular school division or school district:
- a) whose parent or legal guardian, with whom they reside, is a resident therein, or
 - b) who has attained the age of 18 years and is a Canadian citizen or landed immigrant resident therein, or
 - c) who, by reason of being dealt with under any provision of The Child and Family Services Act or the Young Offenders Act (Canada) becomes a resident therein, or
 - d) who is designated in writing by the Minister as a resident therein.

2. DEFINITIONS

2.1 School-Age Resident Student (Aged 4 - 20 years)

A “school age resident student” means a resident student aged four to twenty years, inclusive; further defined as a resident student who:

- a) will be at least four years of age, ie. having reached their 4th birthday by December 31st of the school year in question;
- b) will not have reached their 21st birthday by the opening date of the school year or semester in question.

2.2 Adult Resident Student - Aged 21 years or Over

An adult resident student is a resident student as defined above who has reached their 21st birthday by the opening day of the school year or semester in question.

2.3 Non-Resident Student

A non-resident student, is one who does not meet the definition of a “Resident Student” as defined above, but who is a resident student in another Manitoba school division, and who qualifies for a provincial support grant.

2.4 Nursery Student (Age 4 years by Dec. 31) (Fees Applicable)

A non-resident student at age 4 years would be a child whose parents reside in another Manitoba School division. As no provincial support is available fees are applicable.

2.5 Manitoba School-Age Non-Resident Student (Age 5 to 20 years)

A "school age non-resident student" means a non-resident student aged five to twenty years, inclusive; further defined as a non-resident student who:

- a) will be at least five years of age; ie. having reached their 5th birthday by December 31st of the school year in question
- b) will not have reached their 21st birthday by the opening date of the school year or semester in question.

2.6 Manitoba Adult Non-Resident Student (Aged 21 or over) (Fees Applicable)

A Manitoba Adult Non-Resident Student is a Manitoba Non-Resident Student as defined above who has reached their 21st birthday by the opening day of the school year or semester in question.

2.7 Special Non-Resident Student Categories: (Fees Applicable)

- a) Foreign Student (School-Age and Adult) (Fees Applicable)
A foreign student is an individual seeking enrolment in a WSD school who has neither Canadian citizenship nor Landed Immigrant status.
- b) Non-Supportable Student (School Age and Adult) (Fees Applicable)
A non-supportable student is any non-resident student who does not qualify for provincial education support. Admission to WSD schools is contingent on payment of full fees, either by the individual or by a sponsor.

3. SCHOOL OF CHOICE

In accordance with the Public Schools Act, school of choice does not apply to students who attend a school other than their designated school, if the program or study is not offered by the school division of which they are a resident students in this category are covered under programs not offered locally by resident School Division

3.1 Schools will enrol students in the following order of priority:

- a) students designated to attend that school,
- b) students residing in the school division, and
- c) other Manitoba students.

3.2 A Superintendent of Education Services may assign a student to any school if in their judgement the welfare of the child or of other children requires such assignment.

3.3 Resident Students

Students aged 4 to 20 years are permitted to attend the school of their choice within WSD provided that there is space available and that there is no additional cost to WSD.

3.4 Non-Resident Students

Non-resident students aged 4 to 20 years may be admitted to the school of their choice within WSD provided that:

- i) there is space available in the class or school;
- ii) the student does not require an Individual Educational Plan (IEP) or additional support services which would incur costs to WSD;
- iii) the applicable fees are paid

3.5 Student Accommodation Priority (Fees May Be Applicable)

The priority for acceptance of students for admission to schools in WSD will be:

- i) Resident students from within the local school catchment area.
- ii) Resident students, aged 4 - 20 years from other school catchment areas.
- iii) Resident students aged 21 years and over.
- iv) Non-Resident students aged 4 to 20 years (Fees Applicable)
- v) Non-Resident students aged 21 years and over (Fees Applicable)

3.6 Acceptance of Resident Non-Catchment Area Students

The determination of whether or not there is space available to admit a resident but non-catchment area student shall be made by the school principal who will be guided by the resultant individual class size and the number of integrated Level 1 Special Education students already accommodated within resources available.

3.7 Acceptance of Non-Resident Students

The determination of whether or not there is space available to admit a non-resident student shall be made by the school principal who will be guided in this decision by:

- i) The priority for accommodation of students as stated in Section 3.1 of this policy.
- ii) Historical data on the need to reserve space to accommodate resident students who register during the school year.
- iii) The composition of the student population in individual classrooms including the number of students with exceptional needs.
- iv) The assurance that there will be no adverse effect on the learning environment of resident students.

3.8 Class Size

3.8.1 N - Grade 8

The admission of resident non-catchment area students may be considered when space is available and programming and individual needs can be met.

A request for the admission of a non-resident student will only be considered provided there is space available; special equipment or physical facilities required by the student is available; enrolling the student does not become detrimental to the continuity of their education; the program is suited to the age, ability or aptitude of the student; if the enrolment of the student is not detrimental to order, discipline and well-being of the students in the school; and the proper notification is provided by the parent or student.

3.8.2 Senior High

Resident non-catchment area students and Non-Resident students will be admitted to Grade 9 - 12 courses provided there is space available in a section of each course requested. The admission of resident non-catchment area students will be considered as long as the resultant section sizes do not exceed 35 students. The admission of non-resident students will be considered only if the resultant section sizes do not exceed 32 students.

3.9 Applications

3.9.1 Applications for the admission of non-resident students must be submitted on the standard WSD Application for Registration of School-Age Non-resident Student form.

3.9.2 Applications under the School of Choice provisions for non-resident students must be received by WSD prior to May 15 for rural areas and September 30 for Metro School Divisions.

3.9.3 Applications shall first be submitted to the school principal for approval.

3.9.4 Applications once approved by the principal are to be forwarded to the Non-Resident clerk in the Secretary-Treasurer's Department.

3.10 Duration of Approval

3.10.1 Once a non-resident application has been given final approval, it will remain in effect, only at the school to which the student has been admitted, until the student completes the highest grade level at the school into which they has been admitted.

3.10.2 WSD retains the right to rescind the approval at any time, should circumstances arise which restrict the WSD's ability to provide appropriately for the education of its own resident and catchment-area students, or which result from unusual student population changes.

3.10.3 Notwithstanding the above, approval is in effect until withdrawn under this policy.

3.11 Behavioural Expectations

WSD reserves the right to withhold approval for the admission of a non-resident student if, in the opinion of the school's administration, the student would have difficulty fulfilling WSD's and the school's expectations for behaviour.

3.12 Transportation

Non-resident students will not be eligible for any divisional transportation services including transportation allowances or subsidies in any form.

4. WITHDRAWAL OF ACCEPTANCE

Notwithstanding any of the foregoing, WSD reserves the right to withdraw its acceptance of non-resident students and to withdraw such students if in the opinion of the principal:

- i) the student fails to meet the behavioural expectations for students at that school;
- ii) the educational requirements of the student result in the need to provide additional supports to the student during the course of the school year;
- iii) there is a significant increase in costs to WSD during the course of the school year.
