École Robert H. Smith School Annual Community Breakfast March 4th

All Proceeds Going to The Children's Rehabilitation Foundation

Feb. 26, 2016 (Winnipeg, MB) – École Robert H. Smith School, a community school, is giving back to the community on **Friday, March 4, 2016** at its ninth ***Annual Community Breakfast***.

This event is open to the community from 6:30 a.m. to 9:30 a.m. with breakfast, entertainment, a silent auction and so much more!

Grade 6 students had an opportunity to do research on charities, present to their peers, and vote on the single charity that the school and community would support for the breakfast. Proceeds this year will go toward *The Children's Rehabilitation Foundation*.

"We're continuing to promote the idea of kids giving to kids, embracing the community and helping others," said Principal Tom Rossi. The school's community breakfast raises thousands annually for its various beneficiaries. Past beneficiaries include The Children's Hospital Foundation, The Children's Wish Foundation and Winnipeg Harvest.

The carnival-like event draws many special guests every year, including the mayor, city councillors, the Chief of Police, The Joe Show, Shaw Television, Wheeler in the Morning and the CTV Morning Show, to name a few. Members of the general public come in droves to make donations through a variety of fundraising activities: the breakfast, massages, haircuts, curls, finger nail painting, specialty coffee and carnival games for kids.

For a donation of \$100 at the breakfast, you will receive a \$75 tax credit and free admission.
