Priorities for 2019-2020

- Math focus continued to be Mental Math and Problem Solving with an increased focus on strategies.
- Continued focus on literacy with emphasis on writing strategies.
- Shared teaching experiences amongst staff members in the area of outdoor learning, ESD and our Outdoor Learning Space.
- We held regular school-wide PLCs, Professional Learning Communities, where staff collaborated around a wide range of areas based on student growth needs.
- Use of Truth and Reconciliation Calls to Action to guide practice.
- École Riverview School transitioned to a Positive Behavioural Interventions and Supports school, reinforcing common expectations and positive school climate.
- The playground renewal project was well underway with many grant applications submitted.
- ÉRS was entirely repainted and now has bright, inviting learning spaces!

Priorities for 2020-2021

- Mental health and wellness practices for students and staff for the return to school.
- Continued work on the playground renewal.
- École Riverview School will continue to be a Positive Behavioural Interventions and Support school, reinforcing common expectations and positive school climate with school wide training for staff and students.
- Positive school climate with focus on theme, mascot, family groupings, etc.
- Through continued strengthening of our newly established PLCs, classroom teachers will develop short-term targets and goals for instruction with the support of the leadership team. Classroom teachers will review, reflect and then set new goals regularly.
