JANUARY 2020

Dear Parents/Guardians,

We are starting a Grades 4, 5 & 6 Skating Club throughout the months of January and February during the lunch hour at Tyndall Park School! All students will eat with the supervising teachers in the gym before heading outside. Practices will take place on the Tyndall Park Community Centre rink next door. All grades 4-6 skaters will walk to the rink with supervising adults on **January 14, 15, 21, 28, and 29 as well as February 4, 11, 12, 18, 19, 25 and 26.**

Helmets (CSA approved), hockey gloves or ski/leather mitts are required for all practices. Woolen mitts and bicycle helmets will not be allowed. The school can provide a helmet to those students who cannot borrow or provide their own helmet. Due to the limited number of helmets, we recommend students to bring their own helmet though.

The first skating practice will be TUESDAY, January 14 for all grades 4-6 skaters at Tyndall Park Community Centre, weather permitting. All skaters are to bring a lunch for noon hour skate practices.

Permission slips are due back to Ms. Basaraba by Friday January 10, 2019!

We are still waiting on word for when the divisional skating races will be. Beginner skaters are welcome to come out to skating club, but only qualifying skaters may participate in the races for safety reasons. A letter will be sent home at a later date with more information regarding the racing event.
