

THE WINNIPEG SCHOOL DIVISION
INNER CITY DISTRICT ADVISORY COMMITTEE
SUMMARY OF DISCUSSIONS – Wednesday, April 17, 2019

1. APPROVAL OF AGENDA

As there were eight voting representatives in attendance and ten were required to form a quorum, the parent representatives agreed to proceed with an informal meeting.

2. 2019/2020 FINAL BUDGET

Committee members received an overview of the budget for the 2019/2020 school year.

The final budget approved by the Board of Trustees includes expenditures of \$417,444,400 for the fiscal period July 1, 2019 to June 30, 2020.

Complying with Provincial government guidelines, the Board has approved a 2% increase to the special requirement resulting in a 2.45%, or \$35 a year, increase on property taxes for taxpayers within WSD boundaries. This is based on the average assessed value of \$214,200 on a home in WSD.

The Board is dedicated to continue advocating on behalf of the Division and will continue to attempt communication with the Province to ensure education funding and the needs of our communities are sufficiently met.

The members of the Board appreciate all feedback in the development of the 2019/2020 budget.

3. PROVINCIAL K-12 EDUCATION REVIEW

Committee members were informed that on January 23, 2019, the Province of Manitoba announced a New Commission on Kindergarten to Grade 12 Education. Nine Commissioners will guide a comprehensive, independent review of Manitoba's Education System.

The Manitoba Commission on Kindergarten to Grade 12 Education is requesting feedback on the future of the educational system in Manitoba.

Committee members were informed that the Commission will consult with students, parents, educators, school boards, academics, Indigenous organizations, la Francophonie, municipal councils, professional organizations, the business community and members of the public from across Manitoba.

INNER CITY DISTRICT ADVISORY COMMITTEE
SUMMARY OF DISCUSSIONS – Wednesday, April 17, 2019

- 2 -

Committee members were informed that throughout the review process, the Commission will focus on:

- **A long-term vision** – Given how rapidly the world is changing, what should our goals and purpose be for Kindergarten to Grade 12 education?
- **Student learning** – How do we help our students achieve excellence?
- **Teaching** – How can we help teachers and school leaders to achieve better outcomes?
- **Accountability for student learning** – How do we develop a stronger sense of shared accountability for student learning and an understanding that every member of the education team (e.g., principals, teachers, maintenance staff, bus drivers, administration staff) has an important role to play?
- **Governance** – What governance structures do we need to put in place to make our education system more relevant and better coordinated?
- **Funding** – How do we ensure that our education system is sustainable, and that it provides equitable learning opportunities for students of all ages?

Committee members were encouraged to participate in the consultation process, which will run from February to May 2019, by submitting a written report, attending a public consultation, or filling out the online survey. Written submissions may be emailed to K12educationcommission@gov.mb.ca or via mail to Manitoba's Commission on Kindergarten to Grade 12 Education 470-800 Portage Avenue Winnipeg, Manitoba, R3G 0N4. The deadline for receipt of written submissions is May 30, 2019.

Committee members were also informed that the Province is providing workshops for anyone who may be interested. The workshops will offer an informal and interactive way for Committee members to share their thoughts. The Province has indicated that the feedback will help the commission develop its recommendations as part of a comprehensive, independent review of Manitoba's elementary and secondary education system. Committee members were informed that two online surveys are available; one for the public, the second survey for teachers.

Committee members expressed their concerns regarding the locations of the workshops as they are not easily accessible to members. It was suggested that a WSD school bus be used to accommodate the Community members who are interested in attending the workshop on May 15th. Arrangements to attend this workshop are being coordinated by the Principal at Mulvey School. Committee members also requested that childcare be available. Committee members were informed that a mass email will be sent to all principals once arrangements are completed.

In addition, Committee members were provided with information regarding the Local Voices, Local Choices campaign which was developed by the Manitoba School Board Association to assist parents/guardians in providing responses to the Education Review Commission.

Committee members requested clarification on an ad campaign stating the school trustees earn less than \$10 a day. Committee members were informed that trustees receive an honorarium that is determined by each school board.

Committee members were also informed that the Province is hosting a full-day student forum scheduled on May 3rd comprised of student representatives from around Manitoba.

Committee members were encouraged to visit MSBA's website as there is useful information and there is also clarification on misinformation regarding school boards, education system and school trustees.

Additional information on upcoming consultations, online survey and in-person meetings will also be added to the Division's website as information becomes available.

4. District Advisory Reports and Summaries of Discussions

Committee members were informed that at a meeting held March 4, 2019, the Board of Trustees received the Inner City District Advisory Committee Report and Summary of Discussions as information. The Summary of Discussions have been distributed to Committee members the week of March 4th.

Once reviewed by the Board, District Advisory Committee Reports and Summaries of Discussions are posted on the Division's website under the Family and Community tab.

School Report for the Inner City District Advisory Committee Meeting Date: April 17, 2019

We have continued to offer cultural programming within the school and community throughout the winter and early spring months. Our regular activities include:

- Daily smudging for student and staff members in the mornings, as well as when requested throughout the day
- Weekly pipe ceremonies for interested students and staff
- Monthly full moon ceremonies for those interested
- Monthly sweats for interested students and staff
- Weekly drumming and singing programming for students, staff, families, and community members
- Skirt making workshops for students

In addition, we hosted a few unique cultural learning opportunities:

- A whole school storytelling day featuring storytellers who are Elders, activists, and leaders in the Indigenous community
- A virtual reality tour of a Residential School in partnership with the University of Manitoba Centre for Human Rights Research
- A spring feast for students, staff, and community members, which was hosted by our grade 9 students

Throughout the past few months, our school and community partners have offered various programs for students:

- Journey and Succeed Program
- Medical Careers Exploration Program
- Martin Family Initiative – Business Education Program
- University of Manitoba Post-Secondary Club
- Tree of Life Programming
- Gay-Straight Alliance Club
- Caring Club for parents, soon-to-be parents, and caregivers of infants

Art Official Intelligence

The Gordon Bell Art Club had a March to dye for! The artists designed and created personalized tie-dye t-shirts with help from the graphics department. The Artists had the opportunity to continue improving their painting skills, creating many new and exciting original pieces. Throughout the month of April, we will be learning how to cross stitch and the artists will be focused on planning for their final projects. As always, Art Official Intelligence meets in room 308 Fridays at lunchtime from 12:20 pm - 1:20 pm and after school on Wednesdays from 3:30 pm - 5:00 pm. If you would like to join or have any questions, you can contact Ms. Walsh at kwalsh@wsd1.org.

An Hour of Girl Power will be happening on May 1st during lunch hour in Room 310A with Ms Dhaliwal and Ms Brown. Snacks and games will be provided.

Extracurricular Events!

The following practices have started (or are continuing):

Community support worker February/March report 2019

For the whole school year our Ea support staff has been working with the boys drum group with their drum practice. The boys drum group has been invited to sing at the grand opening of the Aboriginal Education Forum at the Victoria Inn on May 27th. We hope with this experience our drum group will have an opportunity to share some of the Indigenous ceremonial songs they have been learning throughout the school year.

The parent sewing group is still being support by one of our active parent council members. This winter she has been teaching parents how to make Indigenous ceremonial ribbon skirts. We hope to continue the sewing group until June with a beading program as well.

Frontier College has been working with our parents with the Very Read parent pre-school program. The early year's literacy program invites parents and their pre-school children that involves reading, songs, and rhymes. We hope to soon collaboration with our neighbor school and their families for May and June.

Big thank you to our parent council volunteer Ms. M. Critch that has volunteered her time with the lunch fundraisers. We have been putting away any monies made from the fundraiser for future endeavours such as a new play structure. Hopefully Ms. M. Critch can continue her fundraising efforts this fall and into the new year.

The Animichigawan (to read in Ojibway) program is still hosting a reading morning once a month in our new revamp community library. The two Indigenous elders read to out students and share stories along with the reading program, snack is also provided to the students.

The community library is an on going project and thanks to our volunteer librarian, R. Decter, she has been leading with the restructure of out library now for 2 years. We hope Ms. Decter will continue to develop our school library into the new school year.

Our Volunteer Appreciation Tea is soon approaching once again. Niji Mahkwa school volunteers will be honoured during this time, thank you to all their time and efforts in helping out with our school events. We had a successful year with our volunteers this year again, date to be announced.
