Gordon Bell Pre-Registration Process: **Students entering Grade 11**

This is a checklist for **GRADE 10 STUDENTS APPLYING FOR GRADE 11 classes** in **2021 - 2022**. Please discuss the following points with your parent(s) / guardian(s):

- ☐ Prior to selecting your courses, we strongly encourage you to go to the Gordon Bell High School webpage <https://www.winnipegssd.ca/schools/GordonBell> to consult the following resources (all found under the School Registration Information tab):
 - **Graduation Requirements:** Learn how many credits are required and which specific courses are needed for graduation.
 - **Student Handbook:** Read descriptions of all courses offered at Gordon Bell to get a better understanding of what a course is about.
 - **Math Info Sheet:** Consult to help you figure out which Math stream is best for you.
 - **English Info Sheet:** English Comp is compulsory. You may also wish to take English Lit or Trans as an option.
 - **Post-Secondary Requirements:** University and college programs often have prerequisites, require a minimum number of 40S classes, and may require you to take a specific Math (i.e. Pre-Cal) or Science course (i.e. Biology, Chemistry, and Physics). When selecting elective courses, we strongly recommend you consult this document first.
- ☐ Use the chart on the back of this page to select the courses you wish to register for. The courses that have prerequisites are indicated by an asterisk (*). Please ensure these prerequisites have been met before registering in a course. Note that you will be required to sign up for:
 - **COMPULSORY COURSES:** See Graduation Requirements sheet on the website.
 - **ELECTIVES:** Select up to five courses and order in preference, with 1 being the **elective you want the most**.
- ☐ It can also be helpful to speak with teachers, your counsellor or Career Intern to help plan the best possible educational path. Please touch base with them as needed.
- ☐ **Bring your completed form with you when you pre-register here at school the next day you will be here** as it will be used to help you fill out your online application.

Parent(s) / Guardian(s):

Your child will be registering on-line for next year's courses on one of the following days: March 4th (Even Cohort) or March 5th (Odd Cohort). The purpose of this sheet is to help your child plan their course selections for the 2021-2022 school year. Please help your child by following the steps above, and discuss with them their course selections.

Students are to have the completed form with them on the day of their registration. Upon registering they will receive a printed copy of course requests that they will be bringing home to have signed by you. **We ask that these forms be returned to their C slot teacher by Friday, March 12th at the latest.**

Please sign indicating you have reviewed and approve of the course selections made on the back of this sheet:
