MEDIA ADVISORY

Winnipeg School Division transportation delays

Dec. 6, 2016 (Winnipeg, MB) – Due to severe weather conditions, Winnipeg School Division (WSD) school buses are having difficulty managing the side streets for the dismissal drop-off times. Schools are contacting families of bused children to inform parents that buses will attempt to drop-off children at their normal drop-off sites. If buses are unable to navigate the streets, students will be returned to their home school where they will be supervised until parents can pick them up.

Some parents have opted to pick up their children directly from their school.
