

THE WINNIPEG SCHOOL DIVISION

INNER CITY DISTRICT ADVISORY COMMITTEE

SUMMARY OF DISCUSSIONS – Wednesday, February 13, 2019

1. APPROVAL OF AGENDA

The Committee members approved the Agenda of February 13, 2019, as distributed.

2. 2019/2020 DRAFT BUDGET DISCUSSION

The Secretary-Treasurer was in attendance to provide an overview of the 2019/2020 Draft Budget. Committee members were informed that on January 9, 2019, the Province of Manitoba announced funding for public education. The increase for all of Manitoba for 2019/2020 is 0.5% or \$6.6 million dollars. Committee members were informed that the portion of the funding allocated to the Division which is based on enrollment equals a decrease of 0.1% or \$202,963 over last year's funding.

Committee members were informed that the Division's costs increase every year due to inflation on required expenses such as Canada Pension Plan, Employment Insurance Premiums and Payroll Taxes. Committee members were informed that even with the Province's introduction of wage freezes for public sector employees, including teachers, salary increments earned by Division staff must be included in the 2019/2020 budget.

Committee members were informed that the Minister of Education encouraged school boards to limit the special requirement increase to 2.0%. Committee members were informed that special requirement is based on the school year and property taxes are based on a calendar year. The Committee was informed that a 3.0% special requirement equals a 2.9% property tax increase or \$41 on average assessed home at \$214,200. Committee members were informed that the Provincial funding for education is based on several factors including student enrolment, capital costs, equalization payments and the phase out of the Tax Incentive Grant.

Committee members were informed that the Board of Trustees is requesting feedback on the following budget additions; autism clinical psychologist, day programs supports for students with exceptional needs, additional Early Childhood Inclusive Needs Support, Sound Field Systems, enhanced Wi-Fi, pilot video conference course, expanding Full Day Kindergarten programs, data analytics software, technology, school grounds maintenance and Lunch Program Coordinator.

Committee members were also informed that the Division provides many programs/services for students that are not provincially funded as follows: Intercultural Support Workers, Library Technical Assistants, Computer Technicians, Adult Crossing Guards, School Resource Officers, off campus programs, Home Learning Assistants for Early School Years, Library and Support Services, therapy services, summer school, nutrition programs, nursery, arts performances, special events and programs, milk subsidy, and Attendance Officers. These programs/services cost \$11,415,173 and are areas the Board of Trustees may have to find cost savings if required.

In response to an enquiry regarding the role of the Lunch Program Coordinator, Committee members were informed that the Lunch Program Coordinator would help Parent Councils with the business matters such as payroll and audit. Committee members were also informed that WSD has a Food Issues Committee that explores concerns regarding the lunch programs.

INNER CITY DISTRICT ADVISORY COMMITTEE
SUMMARY OF DISCUSSIONS – Wednesday, February 13, 2019

- 2 -

Committee members requested additional information regarding the additional funds for the clinical psychologist. Committee members were informed that there is presently a three to four year waitlist outside of school to have a diagnosis for autism. Committee members expressed concern that it should not be up to the school to diagnose a child with autism, as many of these services should be provided by health care and should not be part of the education system. Committee members were informed that WSD does have an autism support team that supports schools, although another clinical psychologist on staff, would help improve the diagnosis wait time.

Committee members expressed support for School Resource Officers (SRO) in schools as they provide safety for students and staff. In addition, the SROs continue to work towards building and supporting the Indigenous Community. Committee members agreed that the SRO Program should continue in WSD even though the Province may not commit additional funds for the program.

Committee members agreed that should reductions be required to balance the budget, the expansion of Full Day Kindergarten sites, summer school and the nursery program should be areas the Board may want to reconsider.

Overall, Committee members supported a 2.9% property tax increase in order to maintain programs and services. There was an overall agreement that more information is needed on programs/services not funded by the Province before prioritizing cuts or additions.

Committee members were informed that the Board advocates on behalf of the Division to continue discussions with the Province and seek alternatives to education funding. Committee members were encouraged to contact their MLA, Premier or Minister of Education to share their opinions of education funding.

Committee members were informed that the Budget presentation is available on the Winnipeg School Division's website along with a property tax calculator and survey.

Committee members were informed that in addition to budget presentations at District Advisory Committee meetings, information is available on the Division's website. A Public meeting will also be held on February 25, 2019 at Administration Building N^o. 1, 1577 Wall Street East at 7:00 p.m. to provide budget information to the general public and receive feedback from individuals or groups that may wish to attend as well there is a survey posted on the Division's website www.winnipeg.sd.org. The deadline to receive feedback regarding the budget will be received by the Board until March 4, 2019. All feedback will be considered by the Finance/Personnel Committee. The Board of Trustees will approve the budget at the meeting to be held March 11, 2019.

3. ENQUIRIES AND ANNOUNCEMENTS AND SCHOOL REPORTS

3.1 School Reports

Parent representatives from the following schools provided a written report (attached) on school activities:

- Argyle Alternative High School
- Children of the Earth High School
- Dufferin School
- Machray School
- Mulvey School
- Niji Mahkwa School
- R.B. Russell Vocational High
- Sister MacNamara School
- William Whyte Community School

4. FOR INFORMATION

4.1 District Advisory Reports and Summaries of Discussions

Committee members were informed that at a meeting held December 17, 2018, the Board of Trustees received the Inner City District Advisory Committee Report and Summary of Discussions as information. The Summary of Discussions have been distributed to Committee members the week of December 17th.

Once reviewed by the Board, District Advisory Committee Reports and Summaries of Discussions are posted on the Division's website under the Family and Community tab.

www.winnipegssd.ca/Parents/Parent%20Council/Pages/Default.aspx

5. NEXT MEETING DATE

The next meeting of the Inner City District Advisory Committee will be held Wednesday, April 17, 2019 at Hugh John MacDonald.

Inner City District Advisory Committee Argyle School Report – February 13, 2019

Family Nights

Family nights continue to draw students and their families (includes all people significant in their life) to the school once a month for celebration and sharing. It is an opportunity for the Argyle community to gather, share a meal, create a “make and take” project and have informal conversations about school and/or division information. It is our opportunity to provide parents a voice in matters such as budget development and school planning. Dinner is prepared by staff and students with a focus on preparing healthy meals from “scratch”. Child care is provided.

November 21, 2018 – Students and parents will create quilts to take home.

December 19, 2018 – Participants will have an opportunity to make a variety of crafts, which can be used to decorate for the holidays or as gifts.

January 23, 2019 – Students and parents participated in “Paint Night” with one of our staff members leading the instructions.

Grandparents Lunch: We invite our student’s grandmothers and grandfathers (once a month) to a lunch prepared and served by students and staff. As students demonstrate pride and ownership in our school community, we believe we will affect the longstanding perceptions and fears associated with schools.

Career Café: Career Café is an opportunity for students to meet individuals from the community and learn about their careers. Every 2nd Wednesday, students are introduced to a new speaker who talks about their personal career journey. Discussions focus on questions such as: How they became interested in their current field? What education or training was required? What does a typical day in that role look like?

Student Support Groups

- Argyle support staff continues to offer group activities that focus on social issues including coping strategies for students struggling with mental health concerns.

Student Activity Highlights:

- YIP
- U of M Rec & Read – Students work with 20 David Livingston elementary students
- Winnipeg Harvest
- Career Cafe
- Bell/MTS Mentorship
- Credit Union Internships
- Presentations from post-secondary institutions
- Moccasin Making Club
- Volunteering at Siloam Mission
- Game On at Sisler – Argyle wins Most Persistent Team
- APTN Internship
- Point Douglas MLA office internship
- Presentation from a Nutritionist for our moms and moms to be
- Colouring Club
- Pet therapy

Principal: Mr. Brad Davidson

School Report for the Inner City District Advisory Committee Meeting Date: February 13, 2019

Cultural programming within the school and community has been offered throughout the winter months, including:

- Daily smudging for student and staff members in the mornings, as well as when requested throughout the day
- Weekly pipe ceremonies for interested students and staff
- Monthly full moon ceremonies for those interested
- Weekly drumming and singing programming for students, staff, families, and community members
- A winter feast for students, staff, and community members, which was hosted by the grade 12 students
- A whole school pipe ceremony, feast, and round dance hosted by our Cultural Advisor and other staff
- Weekly beading workshops for students, staff, and family/community members
- Skirt making workshops for students
- Mitten making workshops for family/community members

In February, our school launched a program at the school called “Be Here and Win” to encourage regular attendance for students. Further, our school and community partners have offered various programs to keep students busy and engaged during the cold winter months:

- Journey and Succeed Program
- Medical Careers Exploration Program
- Martin Family Initiative – Business Education Program
- University of Manitoba Post-Secondary Club
- Tree of Life Programming
- Gay-Straight Alliance Club
- Programming through our partners at CEDA Pathways
- Programming through University of Manitoba’s Rec & Read Program
- Winnipeg Foundation’s Youth in Philanthropy Program
- Cross Country Ski Program
- Soccer Program
- Floor Hockey Intramurals

In addition, parents and guardians have been invited to the school for nutrition bingos, as well as a parent gathering. Further, efforts have been made to support parents and guardians with access to resources, referrals, and navigating government systems.

Dufferin School

Inner City Advisory Report

February 13, 2019

Michelle Namaka – Acting Principal

Melissa Asmundson – Vice Principal

Students, parents, staff attended the Make and Take Evening and Winter Concert.

Mulvey Speed skate Club 30 students participating. Skate Club every Monday at Winnipeg Winter Club

Community Report

Niji Mahkwa School

February 13, 2019

The first four months of the school year have quickly gone. A number of our Programs are continuing. Our library has had a major makeover. With the assistance and guidance of Rebecca Decter, retired WSD1 teacher, parent volunteers have received training to create book covers, catalogue and shelve the books. We are extremely grateful for all the work Ms. Decter has done in this area. The I love to Read Activities are in full swing and we have had a number of guests come to visit Niji Mahkwa School and do reading activities with classrooms and the whole school. In partnership with the Elders in the Community, the Animichegewin Reading Program and the Elder/Youth Sharing Circle is held every second Tuesday of each month.

Niji Mahkwa School has had tremendous parent turnout for our Student Led Conferencing in November and for our Winter Concert. It is our hope that the continued support will continue during the next four months.

The Boys Drum Group continues to meet every Monday and work with the Niji Mahkwa Choir. Homework Club is held every Monday and Wednesday from 3:30 p.m. to 4:30 p.m. Mothers and grandmothers have enjoyed craft nights and sewing their own ceremonial ribbon skirts.
