# WELCOME BACK!

The end of last year was unusual and very challenging. It was great to see some of the students in June. We have missed everyone and are so excited to have students back learning at school. Isaac Brock School is back with some changes. These changes were created to help keep everyone safe and follow the Winnipeg School Division and Provincial guidelines.

All Isaac Brock Staff will be trained on these new guidelines before school opening for children.

Guidelines are subject to change to meet current health recommendations. Please see Manitoba restart to keep updated.
