

MEDIA INVITE

Kelvin High School community comes together for Active Living Centre

\$1 million campaign to kick off with a tip off

Feb. 11, 2015 (Winnipeg, MB) – Winnipeg media are invited to join the Kelvin High School community as it ‘tips off’ toward an Active Living Centre. Parents, students and staff are hosting an alumni versus varsity basketball game and presentations to embark on a \$1,000,000 fundraising drive.

On April 14, 2014, the provincial government announced funding for a much needed gymnasium for Kelvin High School. The school and community is looking to enlarge this addition to include a track and Active Living Centre. The centre will be state of the art with an emphasis on personal fitness and community use.
