Hi Rm. 20!

Lots of things happening today: first, for Social Studies, we are watching a Winnipeg Police Presentation on online safety. We were scheduled to attend this presentation on April 6th since classes were suspended, we were not able to so we are finally watching the online presentation.

And.... today is Earth Day! To celebrate, there is a ‘bingo’ Earth Day card that I dare us all to complete by next Wednesday. Do as much as you can to show your appreciation for Mother Earth. Remember that the gifts that she bring to us: land, water, plants, animals, oxygen--- all make life possible for all!. Happy Earth Day! And remember our 4R’s: Reduce, Reuse, Recycle, Refuse!
