GLENELM SCHOOL FEBRUARY 2023

February is upon us; it will be a busy month for our school as we will be involved in many activities both in and out of the school this month.

This month is our "I love to Read" month. Students are participating in a whole school home reading program that has just started and will continue until the end of the year. We have special guests coming in to read for our students. Our student council had also planned a week of "I love to Read" themes where staff and students will engage in a variety of fun activities.

Our Grade 4 students are currently in the Swimming Counts program to provide them an opportunity to learn water safety education with the partnership from the City of Winnipeg.

I am excited to announce our Grades 1-6 students will be attending the Festival du Voyageurs on February 24<sup>th</sup> to link their Social Studies, Science, and literature explorations with hands-on-activities available through the Canada Life School Program.

We are also starting an Art Club this month for our Gr. 4-6 students in which Mrs. Ronquillo and Ms. Saranchuk will be running once a week starting Feb. 1<sup>st</sup>. This is a great opportunity for our students in exploring their creativity in the art realm.

February is also the time of year when schools begin the registration process for next year. We will be sending out the student intention forms this month to gather data in preparing for the next year. Our grade 6's will also be invited for open house and be given registration forms from Elmwood School possibly as early as the end of February.

Our Parent Advisory Council meets once a month and we welcome you to join us. Our next meeting will be on February 7th at 6:00 p.m. via Zoom. If you're interested in attending, please email the school at [glenelm@wsd1.org](mailto:glenelm@wsd1.org).

Yours truly,

Lenin Mangaron
