

NOVEMBER 2022

HARROW SCHOOL

Dear Harrow Families/Guardians,

We ended October with an amazing Harrow Halloween Parade in the school. October was a busy month with students learning about Orange Shirt Day to learning about the importance of Truth and Reconciliation. A huge thank you goes out to the Grade 6 class that showcased what Respect means to them at our school assembly. Next month, the 7 Teaching is Courage.

October was also a month for assessments as classroom teachers focused on Literacy and Numeracy in order to plan appropriate programming for all students. Together, we can support student learning. This is why families/guardians can support learning at home by finding ways and times to help their children practice reading, writing and engaging in numeracy activities on a regular basis. Families/guardians will have a chance to discuss ways in which, together, we can support your child collectively during the Parent/Teacher Conferences on November 17 (evening) and November 18 (morning only). These conferences will be booked online starting November 7. Report Cards will be emailed electronically to all families/guardians on November 15.

On October 28th, we took part in the Winnipeg School Division's 150th Anniversary closing Ceremonies virtually. As a school, we have contributed items to be placed in a time capsule. Happy birthday WSD!

A huge thank you to our PAC Executive and all the members who organized, planned and executed a great Run For Fun! The students did an amazing job collecting donations from family and friends in their community. The money raised will go towards an outdoor learning space. Thank you for supporting our PAC!

We also had a successful Terry Fox Run. We surpassed our goal of \$400.00. Harrow School was able to raise \$500.00. Thank you for your continued, generous support. Thank you, Mr. Enns, for organizing the event.

We are once again running the Koats for Kids Campaign. Families in need can call the school or email kdevlin@wsd1.org if they need jackets for their children this winter. Please include child's name and jacket size. Boots are also sometimes available as well. Jackets can be ordered for children 0-18 so please include siblings in need as well.

We are happy to provide an interpreter for your child's tri-conference. These interpreters are provided at no cost from the Winnipeg School Division. Interpreted conferences are scheduled through Ms. Devlin and do not always occur on the 17th and 18th of November as our interpreters support all our schools and those two days are very busy. Please call the office if you require further information.

We are offering leadership opportunities within the school day to our grade 3-6 students. A letter will go home with students explaining the different ways they can become involved and make a difference in our community and school. All students wishing to participate need to submit an application to join by Monday November 7th. Our leaders will be able to support in our N/K programs during recess, help with volunteer jobs or get involved in larger school projects that come up throughout the school year. More information to follow.

With Regards,
Fernando Batista
