## **Principal's Message**

Happy New Year! We are starting the year off with a refresher of our BE's, doing some common area training around school expectations, and a Bravo Blitz where students who are meeting our school expectations are entered into draws for small prizes.

We are looking forward to a month of learning our academics, as well as continuing to learn how to Be Better Together.

We loved welcoming so many of you to our Winter Concert. The students were so proud to have you come and see them perform.

A reminder that most of our updates and news is sent through the school messenger app, so if you haven't been receiving those, please contact the office.

Also, Safe Arrival is the automated system for reporting absences for your child. You can put them in ahead of time, if you have scheduled appointments, etc. The same day absence needs to be in early in the morning, so that it registers for our 9:00 AM start.

We are working on plans to make the family room accessible on a limited basis, and with limited resources which will hopefully be beginning in the coming weeks. Stay tuned for a schedule and more information.

Included with the newsletter as a separate attachment are 2 separate notices for your information. One is regarding safety over the holiday season for students and families, and the other is information regarding scent-free environments. Our school is a scent-free environment, and needs to be maintained as such, as we have individuals in our building who have medical reactions to scents. Please read the information, and help us support a scent-free environment for all in our building.

Thank you,

Wishing all our École Luxton School families a safe and happy holiday.

## École Luxton School Lunch Program

We have a student in the Lunch Program with a peanut allergy. Luxton School is NUT FREE so please avoid sending any products that contain nuts for your child's lunch.

Please remember to send cutlery with your child's lunch.

## Tin for the Bin

A big **THANK YOU** to the **Social Committee** and to everyone who contributed to the Tin-for-the-Bin and donated or helped carry or deliver bins .

We were able to deliver NINE hampers to Luxton families in need. These food hampers consisted of non-perishable items- fresh fruit and monetary gift cards to Walmart. All families were very, very appreciative.

Thank you so much for helping!

I hope you all enjoy your well-deserved upcoming holidays.
