## *Administrator's Message*

### NOVEMBER 2022

Another month has passed and we are excited to see staff and students settling into routines. We were so happy to have our first Parent Council meeting (in person!) at the end of October. It was great to hear from families about what they feel are important issues both at the school and in the community. We hope to see even more families at our next meeting.

Also, we have our report cards going home and our first in person parent teacher conferences happening this month. We are so excited to have our families back in the building to celebrate student learning over the first term.

Please note the following important dates for November:

- November 10 – Remembrance Day Assembly at 11:00 am
- November 11 – No School – Remembrance Day
- November 14 – Report Cards go home
- November 17 evening and November 18th during the day – Parent Teacher Conferences
- November 24 – Parent Council Meeting 6:00 pm

Have a great month and we look forward to seeing you all at parent teacher conferences!

Sincerely,

Steven Nikkel-Vice Principal

## Start your day with a healthy breakfast

Just a reminder breakfast program is open daily from 8:15 a.m. to 8:45 a.m.

The weather is getting cold, children will be going outside after breakfast.

Please dress for the weather.

## Student Information

With all the important correspondence being sent out by the school, we have been and will continue to send information to parents and guardians by email.

If you do not have your email address registered or have changed your email address, please let the office know as soon as possible.

Also, please keep your contact information up to date so that school staff are able to contact you in case of emergency. If your phone number, emergency contacts or address has changed please let the school know.

## Lunch Program

Just a reminder that Lunch Program fees are due at the beginning of the month. If you have any outstanding fees, please get them in ASAP. If you have any questions, just call the school office.

Currently, our lunch program is full. If you would like to be considered for the Lunch Program, complete the application form and submit it to the school.

We run a wait list and as people withdraw, spots become open. Also, this gives us an idea of the needs of the community and if we need to open up more spaces.

## Absence Reporting Safe Arrival System

Just a reminder that Shaughnessy Park School uses the Safe Arrival system to notify parents of student absences. We are working towards having all absences recorded by parents so they do not receive phone calls.

With Safe Arrival, you are asked to report your child's absence in advance using any of these three methods:

1. Using your mobile device, download and install the School Messenger app from the Apple App Store or the Google Play Store (or from the links at <https://go.schoolmessenger.ca>). The first time you use the app, select Sign Up to create your account. Select Attendance then Report an Absence.
2. Use the SafeArrival website, <https://go.schoolmessenger.ca>. The first time you use the website, select Sign Up to create your account. Select Attendance then Report an Absence.
3. Call the toll-free number **1-855-278-4513** to report an absence using the automated phone system.

These options are available 24 hours/day, 7 days a week. Future absences can be reported at any time.

If you require assistance, please contact the school.

## Student Safety is our Priority!

**DO NOT** use the staff parking lot drop off and pick up your children. There are many cars coming and going as the students are being dismissed. It is not safe for the students. Students **NEED** to use the sidewalk along Chudley Street. We have a crossing guard to help them cross safely.

## Our Caring Wall

### Calling current and former Timberwolf Staff, Community members, and Alumni:

The Indigenous Success Academic Program will begin our multi-year project of creating our school's Project Heart Tiles. On Orange Shirt Day, our entire school created a tile-piece on the meaning of Truth and Reconciliation. We will continue making tiles every year as to reflect our journey towards healing. Our project will replace the Caring Wall tiles created in 1997 – 1998.

In recognition of how important the Caring Wall Tiles mean to our school-community, we are calling former (and current) Shaughnessy Park School staff, Community Members and Alumni who have contributed a piece to get it back as a memento of their time and contribution at our school.

If you are interested, please call our school and ask for Ms. Aguilar (Room 20 Teacher) with your name and contact information with a brief description of your tile.

We are also planning on setting up a booth with unclaimed pieces for our upcoming Winter Concert so please look out for our December Newsletter and social media announcements!

Miigwech/Mikwec/Salamat/Thank you
