

WINNIPEG SCHOOL DIVISION - VIRTUAL SCHOOL

Grade 9-12 Pre-Registration 2023-24

Feb. 1, 2023

Dear Parents/Guardians,

I am pleased to inform you that you are now able to complete a conditional registration for the Virtual School for the 2023-24 school year. We appreciate that for some families and students the Virtual School is the best option.

In 2023-24 we will be providing two options for delivery of courses. Students will have the option of attending the lessons live (synchronous) or viewing the lessons and coursework at a later time (asynchronous). To accommodate for both methods of delivery, teachers will:

- Record and post their lessons daily after the live lesson has been completed; and
- Post daily course work with due dates (e.g. assignments, assigned readings, practice work).

Students will be able to reach out to and contact their teacher during the scheduled classes, by email or Google Classroom chat for support or questions.

REGISTERING

Please print and complete all sections of the application form at the following link in order to pre-register. Scan the completed form and email it to virtualschool@wsd1.org. You must sign the application form. One application per student is required. If you do not have a printer or scanner please email virtualschool@wsd1.org and a registration form with an addressed stamped envelope will be mailed to you. You may also drop off the form at the Adolescent Parent Centre at 136 Cecil St.
