Dear Parents and Caregivers,

We have had another successful month of learning and community building in the school. We saw a lot of wonderful costumes and smiling faces on Halloween. Please remember that as candy and treats may make their way into your child's lunch or backpack we are a nut free building. Please show your appreciation to our hard-working patrols, they have been doing a great job for the past two months!

Report cards will be handed to students to bring home on November 16th. We will have our parent teachers' conferences in person for the first time in 2 years! Your child's classroom teacher will be sending a note home on Monday November 7th, asking your preferred time. Tri-Conference Meetings will be held on the evening of November 17th and during the day of November 18th. The partnership between home and school is very important and we encourage you to talk to your child's teacher about how we can work together to support your child's learning.

Our Remembrance Day Service will be held on November 10th at 11:00 AM in your child's classroom. We teach students that Remembrance Day is a time to think about peace and reflect on world issues and how we can change the way we deal with personal conflict in our lives in a more peaceful manner. There will be no school on Remembrance Day - November 11th.

There will be some fundraising opportunities this month. Through your generosity and help, we are able to raise funds for various student opportunities, and experiences. Please take time and make not of the important dates for our Bake sale, Toy Drive and Family Movie Night. Dates and times are highlighted in the newsletter.

Now that the weather is becoming colder please make sure that your child is dressed warmly for the weather as students will be outside during recess and before school. There will be indoor recess if the temperature is colder than -27 with the wind chill.

Once again, we thank you for your continued support and wish you all a wonderful fall season.

Sincerely,

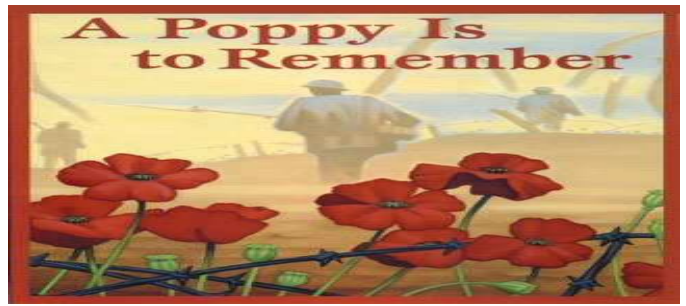

Emil Contreras Principal

James Ferguson Vice-Principal

Season's Greetings

LUNCH PROGRAM (Dixie Halladay)

IMPORTANT NOTICE!

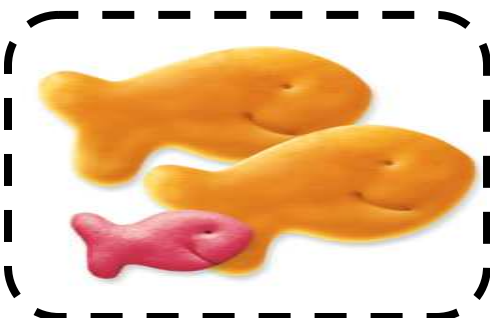

We would like to remind parents the fees are due on the **1st of each month.** Please **remember** to pay the fees on time. Failure to do so will result in your child being **removed** from the program.

A reminder to lunch program parent - Please let us know in writing when you are allowing your child to go home or to a friend's house for lunch. The safety of your child is our first concern. Students can register for lunch program if parents **work** or go to **school**. Please do not **send your child with warm-ups for lunch.**

We ask parents to please go over the lunchroom rules with your children on a regular basis: Our policy follows School Division guidelines. When a child mis-behaves the first time, a verbal warning will be given. The second time, a written letter will be sent home. Within this letter it will state that your child will be removed from the Lunch Program. Then you will need to make alternate arrangements for your child. In the event of a serious incident - your child WILL BE REMOVED immediately without warning.

We would like to encourage you not to send soda pop or noodles. Nut and seafood allergies among children are becoming increasingly common; therefore we have a NO NUTS & SEAFOOD policy. We have many other allergies as well, children are not allowed to share or exchange their snacks or lunches.

Snacks are available through the Lunch Program! Proceeds will go towards hot lunches, equipment.
Cost is approximately \$1.00 each.

PARTNERSHIPS COMMUNITY SAFETY WAS AT WELLINGTON SCHOOL. THEY DID A FIRE SAFETY & PREVENTION PRESENTATION TO OUR GRADE 1 -4 STUDENTS

Room 215

- September and October have been busy in our grade ½ classroom! The students from Room 215 wanted to share their favourite moments from the year so far.

"Pancake breakfast
and field trips" -Elijah

Orange shirt day and
science" - Jarrod

"Choice time and
learning my ABC's" -
Mayumi

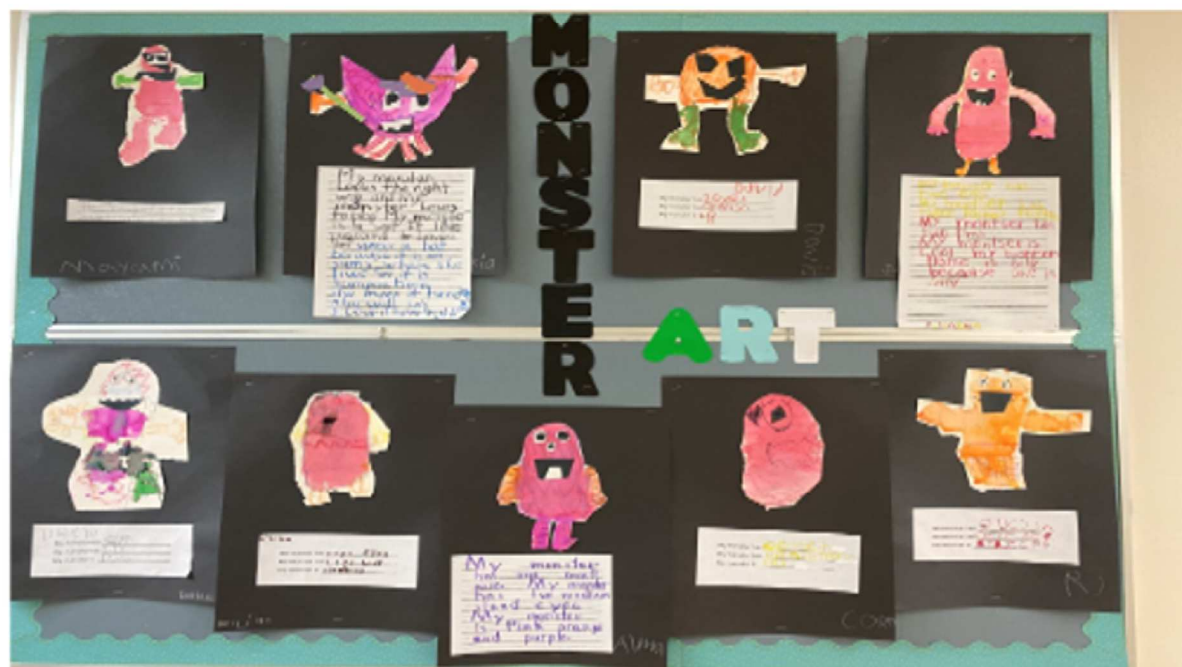

"Halloween writing, art
and Performing Arts" -
Naod

"Writing what my teacher
was going to be for
Halloween" -Alexandria

"Gym" - Julianne

"Making a monster
and Performing Arts" -
Alma

"I like to play on the i-
pad" - David

Students created their own Monsters inspired by the story "Monsters love School" by Mike Austin. Students then wrote a description for their monsters.

November Newsletter: Room 116

Room 116 is busy researching and creating models for our Human Body Systems project! Each pair is researching a different human body system and creating a presentation to teach their peers about their chosen system. Along with presenting their scientific findings, the groups are building a working model of their system. For instance, the excretory system group is making a working filter using sand, gravel and fabric to depict how kidneys filter our blood. The musculo-skeletal group is making a pulley system to show how our muscles pull on our bones to move our bodies. Each group is working hard to create a model that helps their classmates understand the system better.

All groups are assessed on their ability to work as a team, create an accurate model, write scientific information in their own words, and present in a clear manner. We are all learning so much from each other!
