Dear General Wolfe School Community,

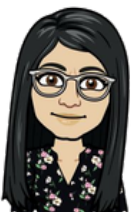

It has been a very exhilarating and industrious September! Our calendar has been filled with many activities such as Meet the Staff, student council elections and a schoolwide Terry Fox run which raised \$811.00 for cancer research. A big thank you to our students, staff and families for their hard work and support in getting the 2022-2023 school year off to an excellent start.

The first Community, Conversation & Coffee meeting (formerly known as Parent Advisory Council) of the school year was very successful. Thank you to all of the parents/guardians and community members who came out to discuss the school's priorities, fundraising activities, upcoming events and much more. The collective voice of the school community is essential for the success of our students. Research shows that when schools, parents, families, and communities work together, students do better academically, attend school more regularly and are highly engaged in their learning. Our second meeting will be on Wednesday, November 9th at 5:30 pm in the library. A light supper will be available and all are welcome! Please contact our Community Support Worker, Kim Marcyniuk, if you are interested in attending.

We would also like to take this opportunity to bid Ms. Lockhart a fond farewell as she pursues a coveted position at a new school. She will be greatly missed and we wish her all the best on her professional journey. Ms. Lockhart has made a huge impact on the staff and students at General Wolfe and we know she will be revered in her new role.

As always, please reach out if you have any questions or concerns.

Yours in Education,

Mrs. S. Darazsi
Principal

Mr. M. Frost
Vice Principal

MEET THE STAFF

Our Meet the Staff event was a huge success! Thank you to all of the families for coming out, participating in the Wolfpack Bingo and enjoying refreshments together. We look forward to more community events over the school year.

NATIONAL DAY OF TRUTH & RECONCILIATION

On Thursday, September 29th the staff and students wore orange ribbons on their wrists and/or orange shirts to honour the residential school survivors and remember those that did not make it home. In recognition that all children deserve an opportunity to have security, education and good health, students created a collaborative artwork that is now prominently displayed in our foyer. As well, every student had the opportunity to participate in a smudge and design a feather of reconciliation which involved writing a personal message of hope and their commitment to solidarity. A moment of silence was held in the afternoon to create a space of reflection. At General Wolfe School, we know that to truly effect change, we must work together to encourage further progress, learning and growth.

CROSS COUNTRY TEAM

Fall means the start of Cross Country season. Our Cross Country team has had a tremendous start to the year! We encourage everyone to give it a try! The meets are very exciting and you get to know people from other schools. Plus, our

coaches are some of the nicest people you will ever meet. Congratulations to all of our participants. Go Wolfpack go!
