Dear General Wolfe School Community,

It is an honour to introduce myself as the new Principal of General Wolfe School. I feel privileged to be part of an extraordinary school community and look forward to meeting everyone, building relationships and further developing the collaboration between school and home. I would also like to take this opportunity to extend a warm welcome to Mr. Frost, our new Vice Principal. We are proud to be part of General Wolfe School, one that values academic excellence and rich learning experiences for all students. We have an open door policy and welcome your input and ideas.

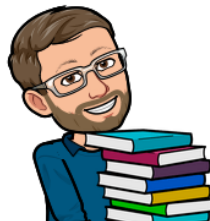

The very dedicated staff of General Wolfe School have been working hard preparing for a productive school year. Shout out to the teachers, educational assistants, and clerical staff for making General Wolfe School a great place to be! Additionally, we would like to thank the custodians who worked diligently over the summer holidays to make the school bright and shiny.

We will be hosting a **Meet the Staff** evening at the school on Thursday, September 22nd. Save the date! More information will be forthcoming. We will also be having our first **Parent Advisory Council** meeting on Wednesday, October 5th at 5:30p.m. There are many new families joining us this year and we encourage you all to be part of the council. School council is a great way to learn about what is happening and how our community can support us to meet the needs of our students. Your input is invaluable!

Have a great school year!

All children deserve an opportunity to have security, education and good health. Orange Shirt Day is an important day when WSD schools, educators, students and school communities honour the residential school survivors and remember those that did not make it home.
