Broadcast

Dear Families,

Today's Broadcast is filled with information that you may find useful. We have included short videos of our staff introducing themselves to you. This is one of the many ways that we are hoping to connect with families.

As well, our Parents Association has shared a slide of themselves for you to check out. We are happy to say that we have an active Parents Association who is eager to have you join them in supporting children at Meadows West.

We are excited to partner with the WRHA (Winnipeg Regional Health Authority) to administer the mRNA vaccine for Meadows West children born on or before Dec 31, 2009. The vaccine clinic will take place October 13th, 1:15 - 3:15 pm in our gymnasium. Consent forms were sent earlier this week - due October 1, 2021 to the office. Enjoy the rest of the Broadcast!

Your partners in education,
Wayne Wyke and Gabrielle Katchanoski

National Day for Truth and Reconciliation

September 30, 2021 is our first National Day for Truth and Reconciliation. We are saddened by the ongoing tragic discoveries of mass graves of children on the grounds of former residential schools.

On September 29, we will be having a virtual assembly to take the time to think, learn, honour, and remember those who attended residential schools and those who never came home.

We have provided some resources for you to consider as we move through this journey together.

Resources for Your Family

To honour Orange Shirt Day and the new National Day for Truth and Reconciliation, the Manitoba Museum is providing complimentary admission to the Museum Galleries from Thursday, September 30 to Sunday October 3.
