

Meet The Teacher:

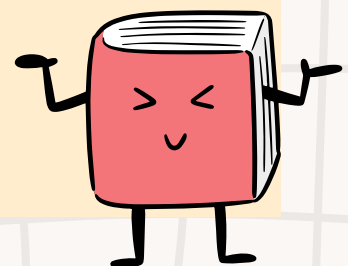

Mme Dana

About Me:

Hello! My name is Dana. I've been a teacher for 10 years but I've been working with kids for what feels like ages. I've taught internationally, in Thailand and Australia. My absolute favourite thing is teaching kids how to read.

Fun Facts:

- I love books, chocolate, Victoria Beach and the feeling crawling into a bed made up with freshly washed sheets.
- I don't drink coffee.
- I have two cats and a dog.
- My favourite colour is blue.
