Students Turning 18 Years of Age

Parents are reminded that once a student turns 18, we require a waiver signed by the student to enable us to provide information to parents regarding the learning of the student. Waivers are mailed home the month before the student turns 18. Please talk to your child about this requirement before their 18th birthday.

Stingers Credit Union

We are proud to offer full Credit Union services to the students of Tec-Voc. A branch of Assiniboine Credit Union is located in Stingers Store.

What Do You Need to Become a Credit Union Member?

Students only require one piece of identification to open a membership. The \$5.00 share it normally costs to open an account is paid for students. We are pleased to offer the following services:

- Free chequing accounts
- Free savings accounts

What's even more special is that chequing and savings accounts are **FREE** for the rest of the student's life. Yes, even after students graduate, there is no charge for accounts.

Membership has its benefits.

For more information, please contact Stingers Credit Union Branch Manager, Kathleen Mira at 204-786-1401 ext. 547 or at kmira@wsd1.org.

Winnipeg School Division's International program is looking for safe and caring homestays for international students attending WSD High Schools this fall. All new arriving students follow strict public health protocols; Winnipeg School Division offers a generous monthly stipend and ongoing family support; If you are interested in joining our WSD International community or just want to learn more, please do not hesitate to contact our office anytime at (204) 789-8086 or email homestays@wsd1.org Follow us on Instagram to see us in action! @wsdinternational
