REPORT TO PARENTS

More information regarding Tec-Voc happenings can be found at www.tecvoc.ca or on twitter at @tecvocwpg.

STUDENTS TURNING 18 YEARS OF AGE

Parents are reminded that once a student turns 18, we require a waiver signed by the student to enable us to provide information to parents regarding the learning of the student. Waivers are mailed home the month before the student turns 18. Please talk to your child about this requirement before their 18th birthday.

SAFE ARRIVAL

To enhance our existing absence-checking procedure, Tec-Voc is using a student absence reporting system called Safe Arrival. Safe Arrival will make it easy for you to report your child's absence. Parents/Guardians are asked to report their child(rens) absence in advance using any of these 3 methods:

- ♦ Using your cell phone, download and install the **SchoolMessenger app** from the Apple Store or the Google Play Store (or from the links at <https://go.schoolmessenger.ca>). The first time you use the app, select **Sign Up** to create your account. Select **Attendance** then **Report an Absence**.
- ♦ Use the SafeArrival website, <https://go.schoolmessenger.ca>. The first time you use the website, select Sign Up to create your account. Select **Attendance** then **Report an Absence**.
- ♦ Call the toll-free number **1-855-278-4513** to report an absence using the automated phone system.

These options are available 24 hours/day, 7 days a week. Future absences can be reported at any time. Thank you for your patience and cooperation as we implement this new system.

Join on TUESDAY, APRIL 12, 2022 from 6-8:30 PM ET for a very special CAREER DISCOVERY EXPO!

Skilled in STEM: Keeping the World Moving is a trailblazing event that provides the necessary acknowledgment that individuals in STEM and skilled trades careers have been, and still are, heavily relied upon to keep the world moving during the Covid-19 pandemic.

As what seemed like a total world shut down in March of 2020, when many around the globe lost their jobs or were laid off, those in STEM and skilled trades were able to keep working. Comprised of courage, drive, and selflessness, we welcome you to honour these individuals and help us inspire a generation of professional newcomers to consider working alongside these extraordinary and devoted citizens.

Who should attend?

- Grade School Students and their parents/guardians
- High School Students
- New Graduates
- Teachers, Guidance Counsellors and Educational Influencers

What you can look forward to:

LEVEL UP: CAREER ADVICE FROM THE CORNER OFFICE: Industry-leading executives will share what it takes to shatter glass ceilings and advise on how to take a seat at the table.

THE ART OF CHOCOLATE: FIRESIDE CHAT: Join Red Seal Certified Chef Tammy, Raven's Rising and President and Founder of Build a Dream, Nour Hachem-Fawaz as they make an exciting announcement.

KEEPING US MOVING PANEL: Celebrate and support those who stepped up and who continue to work tirelessly to keep the world moving. Interact and be inspired by a dynamic group of panelists that will encourage the next generation to consider a rewarding career in the STEM and the Skilled Trades.

TAKE CONTROL OF YOUR CAREER: Students will be able to choose their own career discovery path through breakout rooms and industry tracks that will cover:

- Construction
- Industrial
- Transportation
- Science & Technology
- Engineering, Art & Math

PLUS MUCH MORE!

- Connect with companies that want to hire you! Get industry secrets to give you the confidence and edge against your competitors.
- Elevate your experience with a scavenger hunt, games and prizes!

Tell Me More! Please see flyer or email info@webuildadream.com to discover how you can get involved.

SIGN UP FOR FREE TODAY! The first 500 registrants will receive a self-care kit including artisan chocolates from Raven Rising
