

Carpathia School

Community Report

2021-2022

300 Carpathia Street Winnipeg, MB, R3N1T3
Phone: 204-488-4514 | Fax: 204-489-3048 | Email: school@wsd1.org

Our Purpose

Winnipeg School Division provides a learning environment that fosters the growth of each student's potential and provides equitable opportunity to develop the knowledge, skills, and values necessary for meaningful participation in a global and diverse society.

Our Vision

Is for current and future people learning and working within Winnipeg School Division to be:
Engaged, Confident, Inspired, and Successful Learners.

Together, we're better!

About our school

Carpathia School is located one block North of Corydon and one block East of Kenaston in Winnipeg School Division. We have approximately 200 students.

We have one Principal, one Special Education Resource Teacher, a half time Reading Recovery Teacher, a half time Literacy/Numeracy Support teacher, a Guidance Counsellor, a full time Physical Education Teacher, a half time Music Teacher, a full time Guidance Counsellor, a Nursery/Kindergarten Program and eight Classroom Teachers in Grades 1-6. We have a full time Secretary, 10 Educational Assistants and three custodial positions. We also have staff through Clinical Support Services; a Psychologist, Social Worker, Speech & Language Therapist and Reading Clinician.

Our Parent Council runs a Lunch Program and a daycare (Down to Earth), is located inside the building. The Winnipeg School Division South Area Clinical Support Services offices are also located inside Carpathia School.

WINNIPEG SCHOOL DIVISION

- Daycare located inside the school (Down to Earth Childcare)
- The Boys and Girls Club ran an after school drop in program virtually due to Covid.
- During the Pandemic suspension of classes, Carpathia Staff used the Seesaw Family app and Google meets to communicate lessons with families in addition to phone calls, emails and scheduled visits. Teachers also provided paper copies of lessons online lessons for those that did not want to use technology.
- This year due to Covid, we had a Supply Teachers and an Educational Assistant in the school that ran recovery learning groups when they were not called to substitute.
- Renovation of the building envelope, landscaping and windows started in May 2022 and are to continue until May 2024.

Priorities for 2021-2022

School priorities from the past school year

1. Students

To provide robust and comprehensive education, equitable access, diverse opportunity, and a supportive learning environment for all students to help them prepare for their journey with values of learning and social justice, and to be responsible community members.

2. Learning Outcomes

To further improve school attendance, achievements and graduation rates through the exploration of additional programs and strategies.

3. Addressing Barriers to Learning

To further develop initiatives and innovative approaches addressing individual student needs and accessibility requirements, mental health issues, childcare needs, and nutritional needs.

Priorities for 2022-2023

1. Students

To provide robust and comprehensive education, equitable access, diverse opportunity, and a supportive learning environment for all students to help them prepare for their journey with values of learning and social justice, and to be responsible community members.

Examples: We will continue to have a focus on Literacy and Numeracy. More students will meet expectations in all sub-competencies in the grade 3 provincial assessment for reading in fall 2022 with the support of Guided Reading Groups, Reading Recovery Intervention, Regie Routman Professional Learning Series, Professional Support Services Staff, Literacy hours and Professional Learning Centres. More Carpathia students will meet expectations in all sub-competencies in the Grade 3 provincial assessments for numeracy by using the Grade 1-6 Dreambox program and Grade 1-6 Jump Math Program. We will also be requesting access to an WSD Early Years Support Teacher to build on mathematical knowledge that will support attainment and build capacity in staff and students in mathematical understanding in Kindergarten to Grade 2. We will continue to involve students with Education for Sustainable Development initiatives and Human Rights issues through writing. We will have a school wide theme of Canadian plants that we will be exploring in January 2023 through every grade and different curriculums through blended learning (technology).

2. Learning Outcomes

To further improve school attendance, achievements and graduation rates through the exploration of additional programs and strategies.

Examples: We will continue to implement our attendance policy and use an attendance officer to assist in improving school attendance, achievement and graduation rates. We will work with programs such as CAN-U, BSAP and WISE to connect with students and provide them with extra opportunities and enrichment. We will continue our walking school bus program.

3. Addressing Barriers to Learning

To further develop initiatives and innovative approaches addressing individual student needs and accessibility requirements, mental health issues, childcare and nutritional needs.

Examples: We will continue to use Mindfulness, and Zones of regulation. We have a Guidance Counsellor to support students daily. We will continue with our Breakfast and twice weekly snack program. Our staff and students will continue with school wide PBIS (Positive Behavior Intervention Supports).

Parent and Community Involvement

Highlights & Priorities from 2021-2022

Carpathia School has an active Parent Council. The Parent Council (PAC) meets in evenings once a month virtually this year. In 2021-2022 the PAC ran a busy Lunch Program. PAC also arranged a few hot lunch fundraisers and a pizza sale fundraiser.

PAC fundraising was used to assist in the cost of field trips for students. With these fundraisers PAC also gave money towards field trips and Grade 6 awards.

Several community organizations have formed partnerships with Carpathia. Clinical Support Services operates a Summer Service program out of Carpathia School. The Tuxedo Family Resource Centre used our space for classes as well as Kids@Play for toddler/parent classes. The Boys and Girls Club, Corydon Community Centre and other local groups get permits to use our gym after school hours. However, due to Covid permits for these programs were suspended. In the summer time, groups use our field for soccer and baseball practice. These programs are booked through the Permit Department of Winnipeg School Division. Many of these programs were offered virtually due to Covid restrictions.

Carpathia School also takes in Teachers in training as well as Educational Assistants in Training from the University of Winnipeg.

Carpathia School is always looking for parent and community volunteers. If you know of anyone interested in volunteering, please have them contact the school office!
