### Our Purpose

Winnipeg School Division provides a learning environment that fosters the growth of each student's potential and provides equitable opportunity to develop the knowledge, skills, and values necessary for meaningful participation in a global and diverse society.

### Our Vision

Is for current and future people learning and working within Winnipeg School Division to be:  
**Engaged, Confident, Inspired, and Successful Learners.**

## About our school

Machray Elementary School is a dynamic Nursery to Grade 6 learning environment. We have an incredible staff who are passionate about teaching and are dedicated to providing educational programming that meets the diverse needs of the school and surrounding community. With a childcare facility and a dental clinic in the building, Machray is a vibrant hub of the community.

At Machray Elementary School, growth in student learning is clear, and the school has become a place of importance to our families. Every member of the Machray staff strive to create a safe and respectful learning environment to help each student achieve their potential.

# Parent and community involvement

Machray Elementary School welcomes parents and the surrounding community to participate in numerous activities throughout the year.

We are fortunate to have an active Parent Advisory Council that meets several times to provide the perspective of a parent/guardian to the numerous initiatives and programs offered at the school.

Parents are encouraged to be actively involved in their child's education. Parents are invited to attend our Celebrations of Learning as well as our school-wide assemblies and presentations. Our Parent Room is open from 8:15 – 9:00am and 1:00 – 4:00pm.

Throughout the 2020-2021 school year, parent programming was put on pause as we strictly followed Covid protocols. Parents will be welcome back in the fall to participate in numerous ways, including:

- Volunteering:
  - Grade 6 Immunizations
  - Picture Day
