Our Purpose

Winnipeg School Division provides a learning environment that fosters the growth of each student's potential and provides equitable opportunity to develop the knowledge, skills, and values necessary for meaningful participation in a global and diverse society.

Our Vision

Is for current and future people learning and working within Winnipeg School Division to be:
Engaged, Confident, Inspired, and Successful Learners.

School Mission Statement

The mission statement of Inkster School is to provide everyone with a safe learning environment in order for them to achieve their maximum potential: physically, academically, socially, emotionally and creatively.

Our guiding beliefs include:

- Being Respectful
- Being Responsible
- Being Safe

Priorities for 2020-21

The school priorities for the upcoming school year will focus on the following areas:

- **Students**

- Develop student skills in literacy, math and science, problem solving, collaboration, critical thinking, and creative thinking.
- Continuation of initiatives including the Reading Framework for Grades 1-2;

- **Learning Outcomes**

- Continuation of projects, initiatives, and enrichment programs to achieve and exceed grade level outcomes in literacy, math, social studies and science
- Supporting early childhood development initiatives in literacy and numeracy and use of data/evidence in achievement of educational outcomes

- **Addressing Barriers to Learning**

- Improving academic and behavioural support services for students with special needs.
- Introduce initiatives and programming to address mental health, behaviour, social skills and self-regulation

- **Communications and Partnerships with Community**

- Continuing to engage parents, guardians, families, and caregivers as critical partners in learning

Parent and community involvement

Parents and caregivers play a vital role in our school. We have an active Parent Advisory Council that meet each month.

They are involved in many activities that support our students and staff through their volunteering, fundraising and ongoing daily support. Unfortunately, this year due to COVID-19 there were not opportunities for volunteering.

This year our PAC:

- Provided funds to support student resources
- Organized a Staff Appreciation Day
- Supported the Grade 6 Farewell
- Organized and ran the Lunch Program

Although there were no in person events at Inkster School this year, our parents and caregivers attended our virtual Student-Led Conferences and a pre-recorded Winter Celebration in Music was shared with families. There was also a drive-up Grade 6 Farewell and a short video compiled by the grade 6 students to celebrate their achievements.

The Inkster School staff, parents and community work together in a respectful and supportive partnership in order to ensure the best possible learning environment for our children!
