School mission statement

École secondaire Kelvin High School is committed to providing all students with opportunities to achieve academic excellence, self esteem and social responsibility in a safe, supportive and challenging environment. Kelvin offers experiences both in and outside of the classroom which promote tolerance, self-discipline and independence. Kelvin encourages students to meet with hope and confidence the demands, and rewards of life after high school.

École secondaire Kelvin High School is a public high school in Winnipeg, Manitoba. The school is located in the River Heights Community and enrolls 1234 students from grades 9 to 12. It is one of 78 schools within the Winnipeg School Division.

Kelvin offer three academic programs: English Academic, French Immersion and the International Baccalaureate Programme. Teachers provide a learning environment that promotes and fosters growth in each individual student. They provide opportunities for students to develop knowledge, skills, and values necessary in the global world. Staff, parents and volunteers bring a spectrum of services and expertise to help ensure the success of all students.

Priorities for 2021-2022

Mast 1: Positive, Supportive Learning Environment

Build on our positive school environment so that even more students feel a strong sense of belonging. Work together to communicate *high expectations for citizenship*. Encourage and support a healthy balance for students and staff. Facilitate mentoring for everyone.

Mast 2: Intellectual Engagement and Academic Achievement

Continue to maintain and communicate high expectations for academic achievement for all learners. Plan our instruction and assessments to ensure that all students are curious and excited about learning. Ensure our students and staff continue to receive optimal opportunities to succeed. Students are actively learning and transferring/applying their knowledge.

Mast 3: Including Everyone

Supports or interventions that are necessary to ensure success for all learners. Creative and active participation from students and staff. Extracurricular supports we continue to offer that allow students to explore their interests and passions.
