### Our Purpose

Winnipeg School Division provides a learning environment that fosters the growth of each student's potential and provides equitable opportunity to develop the knowledge, skills, and values necessary for meaningful participation in a global and diverse society.

### Our Vision

Is for current and future people learning and working within Winnipeg School Division to be:  
**Engaged, Confident, Inspired, and Successful Learners.**

### School Mission Statement

Lord Selkirk School strives to provide a safe and inclusive learning community which fosters the academic, social, emotional and physical development of all individuals.

**Be Safe**  
**Be Respectful**  
**Be Co-operative**

WINNIPEG SCHOOL DIVISION

## About Our School

Lord Selkirk School is an elementary school located in the heart of Winnipeg's Elmwood community, a block east of Henderson Highway on Poplar Ave. We provide programming for Nursery to Grade 6 students with 20.47 full time equivalent teaching staff. In addition to excellence in academic programming, we offer an Arts program with Dance, Music and Drama, and a dynamic Physical Education program.

At Lord Selkirk School, we keep our students and our school priorities at the center of all we do. We review, analyze and reflect upon our school data throughout the year to inform our next steps towards improving student outcomes. We apply best practices based on research and foster our collective commitment to our vision for our learners. We strive to learn and grow together to strengthen our practices in order to provide an optimal learning experience for our students each and every day.

At Lord Selkirk we believe that every child is an individual with a valuable learning journey. Our goal is to ensure all children are successful. We thank you for your continuous support and trust in us.

ESD and Truth and Reconciliation

Physical Education and Arts  
Programming

## Priorities for 2021-2022

**Literacy Goal:** By the end of June 2022, 80% of all students from Kindergarten to Grade 6 will be reading and writing at or above grade level. The “Units of Study in Reading and Writing” resources will be used in all classrooms to support individualized growth and development of skills. The Optimum Learning Model and workshop model will be used in all classrooms.

**Numeracy Goal:** By the end of June 2022, 80% of all students from Kindergarten to Grade 6 will be independent in math grade level outcomes. Teachers will plan lessons using the 7 mathematical processes of the curriculum to foster mathematical thinking. Teachers will implement a balanced math program that builds number sense, fluency and problem solving. Dreambox will be used to support instruction and assessment of math learning school wide.

**ESD Goal:** At the end of June 2022, each classroom will have been engaged in a “Roots and Shoots” inquiry project that supports positive change for people, animals and the environment in the Elmwood community while embedding Truth and Reconciliation.

**PBIS Goal:** By the end of June 2022, 90% of all students will be using proactive strategies to engage in learning and following the school expectations (Be Safe, Be Respectful, Be Cooperative). Students will have an increased understanding and awareness of how they contribute to an inclusive school community.

## Priorities for 2022-2023

**Literacy Goal:** By the end of June 2023, 80% of all students will be reading and writing at or above grade level. The workshop model and the Reading and Writing Units of Study will be the school wide approach to teaching literacy.

**Numeracy Goal:** By the end of June 2023, 80% of all students will be at or above grade level in mathematics. Thinking Classrooms and Number Talks will be the school wide approach for the teaching of mathematics.

**ESD Goal:** By the end of June 2023, each classroom will engage in a Roots and Shoots 4 step model that focuses on Truth and Reconciliation while supporting positive change for people, animals and the environment in the Elmwood community.

**Safe and Caring Goal:** By the end of June 2023, 80% of all students will be using proactive strategies to engage in learning and following school expectations (Be safe, Be Respectful, Be Cooperative). Students will have an increased understanding and awareness of Indigenous ways of knowing and inclusive practices.
