Priorities for 2020-2021

Literacy Learning- Maintain and support our work on reading and writing instruction. Continue to build on the learning by sharing and developing common strategies across the grades.

Numeracy Learning - Collaboration between grades to develop common language and understanding of the concepts at each grade level. Focus on the importance of problem solving being integrated into daily practice. Good Questions - STEM approach building thinking classrooms.

Strengthening Community Connections - Create more opportunities for community and families to come together - after school learning sessions, monthly broadcasts, highlight learning achievements and much more.

Roots and Shoots - Find and discover solutions for issues that relate to educational sustainability. Improve outdoor learning environments for students, staff and the community. Continue our journey of understanding of Aboriginal teachings and its application to everyday life.

Parent and community involvement

We value parent and community involvement at Meadows West School. The Parent Advisory

Council continues to grow.

- Active Parent Advisory
- Yearly PAC Fund-raising
- In-class volunteers
- Community Donations
- Supervise and Oversee Lunch Program
