Post-secondary Information Sessions for Students

Grade 12 students are welcome to attend information sessions that will be held in library. This is an excellent opportunity for students to explore what Manitoba's largest post secondary institutions have to offer. Students can learn more about degree or diploma programs, courses offered, admission requirements and future opportunities. Students are welcome to attend any sessions that are of interest to them but are still responsible for missed work from class.

On behalf of Manitoba's post-secondary institutions, Kelvin is offering the following sessions to our Grade 12 students:
