Nursery/Kindergarten Program

Registration for Nursery students and Kindergarten students who are new to Laura Secord will begin Friday, February 3, 2023 for the 2023/2024 school year.

- All new students who reside in the École Laura Secord School catchment area will be registered on a first come, first served basis. **Nursery students presently registered at ELSS will have Kindergarten priority over new registrations.** All complete applications will be date and time stamped.
- Parents/Guardians will be asked for a preference of either morning or afternoon, however there is no guarantee that we will be able to accommodate all requests.
- Students must be 4 years of age by December 31, 2023 to be eligible for the Nursery program.
- Students who are enrolled in the Nursery program **must** reside within the Winnipeg School division boundaries for the duration of the year or a fee will be assessed to families.
- Proof of age (e.g. Birth Certificate or Passport) and verification of address (e.g. Property Tax Bill or rental/lease agreement) are required at the time of registration for all programs. A copy of your child's Manitoba Health Card is also mandatory. The school will photocopy these items for you during the registration process. Having your own copies provided speeds up the process for everyone.
- The Nursery Program is taught in English only.
- There are two Kindergarten programs offered at Laura Secord. The Kindergarten program is either French Immersion or English, depending on family preference.

Gr. K – 6

Catchment information for the English and French Immersion program can be accessed on the Winnipeg School Division's main website via Our Schools/Find a School/Find a School app and enter your address. Each program has a different catchment area. Please call the school if you require assistance with determining your home school.

English Language Programs

Our English language programs are all multi-grade classes.

French Immersion Program

The entry point for the French Immersion program is either Kindergarten, Grade 1 or Grade 7 (at another school). The French Immersion classes are either single grade or multi-age classes, depending on enrollment.

Applications from families new to the school for these programs will be accepted on a first come, first served basis, beginning on Friday, February 3, 2023 at 9 a.m. All "complete" applications will be date and time stamped.

Note:

Students who reside outside of the École Laura Secord School catchment area will be put on a wait list until resident students are registered. Please note that we cannot address the waitlist until late August 2023.
