Student Intention Forms

Student intention forms for the 2023-24 school year will be sent home during the month of January. It is important for staffing and classroom creation that we have an accurate number of students/families returning to École George V School in September

Please indicate whether or not your child will be returning to École George V School in September, 2023. Although it seems early, it is important to have an idea of how many students will be returning as it affects classrooms and staffing. Please return your forms to your child's teacher by January 31st.
