ADMINISTRATOR'S MESSAGE

It has been a very busy and exciting year of learning at École Sir William Osler. I have thoroughly enjoyed getting to spend the full year with all our students and families. Thank you for being so supportive and understanding!

It is hard to believe that the month of June is already rolling in. It is that time of year when things begin to wind down but there are still many fun activities coming up. With the lifting of restrictions, many of our classes will be taking advantage of field trips. Please keep an eye on your email as permission slips are coming through Permission Click.

Please continue to check your child's agenda and backpacks as well as our school website for important information. **Some important dates to note include: community picnic June 14, report cards go home June 24, no school June 27, last day of afternoon nursery & kindergarten classes June 29, and the last day of school for all other classes is June 30 (students are dismissed at 11:00 a.m.).**

Congratulations to Asher S. who placed first and Bella K. who placed second in their respective categories at the Provincial Concours d'Art Oratoire (French speech competition) at Université St. Boniface in May!

Good luck to all our grade 6 students as you embark on your next educational journey. It will be a very exciting time for you! You have been such great leaders in our school and we will miss you. Believe in yourself! Remember that every day ends and brings a new tomorrow full of promise and exciting new experiences. Wishing each one of you many successes as you head off to your new school in September.

On behalf of our teachers, educational assistants, clerk, and our custodial team, we would like to take this opportunity to thank all our families for your amazing

support throughout another crazy year. Our students continue to rise to the occasion academically, behaviourally and socially. Our staff looks forward to an exciting, and much more normal, 2022-2023 school.

Staff will be returning to school Tuesday, September 6 with grade 1-6 students returning Wednesday, September 9. We look forward to having our "Welcome Back, Meet the Staff" evening in person on Wednesday, September 14 beginning at 5:30 p.m. sharp in the gym. There will be a brief information session and then time to visit your child's teacher.

Report cards will be sent electronically Friday, June 24. Lunch program registration forms will be going home the first day of school in the fall. Forms will be due back by Friday, September 9. Students not registered by September 16 (which includes payment of lunch program fees) will not be able to attend lunch program.

How to Keep the French Language Active Over the Summer!

One of the keys to helping your child learn French is to expose them to the French language outside of the classroom. There are many ways you can make this happen.

French movies:

- Watch a favourite movie in French. Every DVD produced for Canadian distribution comes with both English and French audio tracks and subtitles.

French books:

- Have a selection of French books for you and your child to read; this will encourage them to practice their French!

French websites:

- Access French websites that are associated with topics your child is interested in. There are also websites that offer games, homework help and fun in French.
