Dear Families,

November is a time we think about peace, acceptance, inclusion, understanding and reflect on how we each impact one another, in our school, community and the world. Our school's mission statement, "Sargent Park School, in close partnership with its parents and community, provides a nurturing and active academic learning environment in which students become healthy, creative, lifelong learners and cooperative, responsible, global citizens.", is embedded throughout the day in all learning experiences and opportunities.

We have enjoyed being able to gather together as a whole school community once again! Halloween was a wonderful time shared by all. Thank you to our amazing staff for organizing a huge Elementary costume parade led by Ms. Allard, as well as a gr.7-9 Halloween dance. The majority of our students and staff were dressed in costumes and had fun throughout the day. Many classrooms spent time reading, writing, investigating and questioning about Halloween. Excitement was definitely in the air! Thank you to our Junior High students for collecting non-perishable food items for Winnipeg Harvest.

We will, once again, be selling chocolates as a school fundraiser to raise funds for our classroom libraries and fieldtrips at the end of November. We will be selling Laura Secord chocolates with a variety of types to choose from. More information will be sent home in the next few weeks. Thank you for supporting our school!

Report cards will be emailed home on Monday, November 14 and will be followed by in person Tri-Conferences (parent, student, teacher) on Thursday, Nov.17 (after school) and Friday, Nov.18 (am). Teachers have been spending time getting to know all aspects of your children which will be evident in the report card. Teachers have been planning intentionally, carefully, and purposefully for student success. On Tuesday, Nov. 8 you will have an opportunity, through School Interviews, to book a time to meet with the teacher(s). Please watch for the email to reserve a time slot that works best for you. Report cards and tri conferences are an opportunity to highlight and celebrate the strengths of each student and for parents and students to understand the next steps needed for success. It is important for us to continue to build on our partnership as we help our students improve and make gains to their fullest potential.

Our Remembrance Day service will be held on Thursday, Nov.10 at 10:00am in the Junior High gym. We will be welcoming, "The Friday Morning Concert Band" who are a group of musicians that play together on Fridays. They will be playing with our Jazz Band. There will be a few speakers and a video from Room 27. We encourage you to ask your children to reflect and talk about their experience from the service to further and deepen their learning about Remembrance Day.

We look forward to seeing you in person at Tri-Conferences,

Ara Morris and Lucas Buller

Fire Safety Month

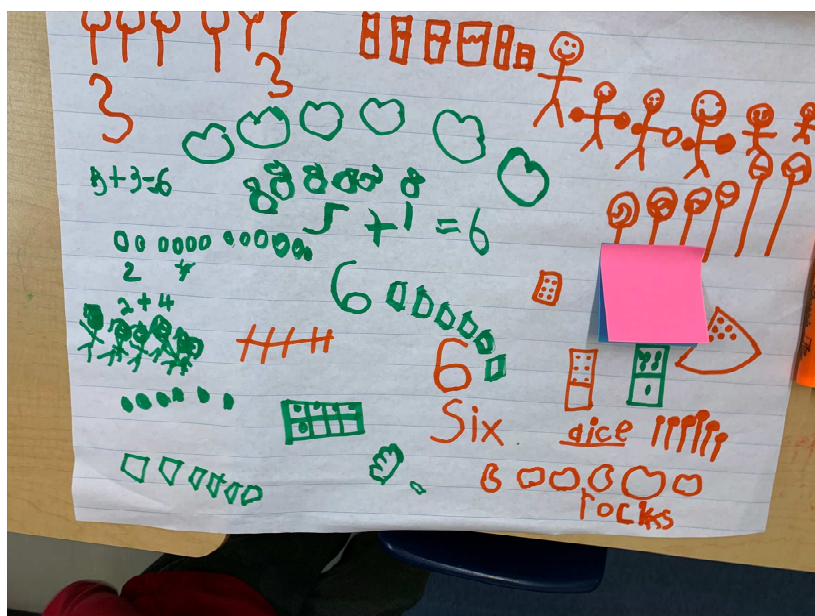

Grades 3 and 4 were invited to participate in a presentation from the Fire department and Sparky the Fire Dog. They shared some important fire safety information with us and then sent us home with fire safety books that are filled with fire safety ideas, tips, information and games.

Rooms 103 and 105 spent alot of time reviewing and working in their books before taking them home to share the information and make safety plans with their families.

On one of our Thankful Thursday's, Ms Hunter (guest teacher) had the idea of writing letters to the fire department to thank them for all they do. The letters were written and dropped off at local fire halls.

Room 27 has been working on representing numbers in different ways. Students made their own number guessing game where they had to show numbers in as many ways as they could. They then shared their ideas with the class during a gallery walk. Some examples were 10 frames, dominos, addition sentences, pictures, words, and objects.

Students in Mr. Potter's grade 8 science class are learning about osmosis in cells through an Egg Osmosis Experiment.

ELECTRONICS - STUDENT'S IN ACTION

Student's measure the total resistance of resistors connected in series using a digital multimeter and breadboard.

Student's are safely using the drill press when drilling their DIY circuit board (made from foam board and copper metal strips).

A student tested a working "Touch Switch" circuit on the bread board.

The picture shows that the hands were used as a conductor/ switch to test if the circuit works.

A student tested the "Touch Switch" circuit as a water leak sensor.

Students in Gr. 2, 4, 7 and 9 had an opportunity to make monoprints with Heather Martens Rempel, a rural-Manitoba based visual artist and educator.

2022 Time Capsule

The Winnipeg School Division 150th Anniversary Year is coming to an end. A closing ceremony was held in the Tec-Voc High School Theatre on Friday, October 28th. A time capsule was created to be opened in 2046. All schools participated by contributing an item to place in the time capsule. Sargent Park School was represented by 3 grade 9 super niners. Caylin, Jude, and Ayeesha have all attended our school from Nursery to grade 9. Two letters were written to future students and a beautiful painting our school emblem were placed in the capsule.

Thank you to the players, coaches, and spectators for a great volleyball season

The Phys. Ed. Department has Sargent Park school custom 24 oz water bottles available for sale!

Please see your Phys. Ed. teacher if you are interested in purchasing one!

The cost is \$8.00.

Stay hydrated!

Happy Halloween!

Grade 3 & 4 Fire Safety Presentation

Thank you for hosting us for our fire safety presentation. We hope the kids enjoyed the visit and that they learned some important safety tips in case of a fire.

Did you know that Sargent Park School has a Little Free Library? It was a special project that Mrs. Wilson and Mrs. Mac did with the multi-age class a few years ago. A class of students planned designs, created committee, held fundraisers, built it, had a book drive, and then filled it. The library continues to be looked after by the students in room 105 (thank you to the Enns family, custodians and Winnipeg School Division carpenters for helping take care of the library too).

The Little Free Library is a place to get a book or leave a book. There are many great books inside and they are always changing, so check it out often.

It's simple to use. Visit if you need a book to read. When you are done, bring it back and trade for another book.

If you have many books you would like to donate you can bring them to Mrs. Wilson (library) or Mrs. Mac (room 105).

Happy Reading!

September 28, 2022

Dear Friends,

Thank you for your generous donation of \$1,144.35 made on 06/07/2022 to the Ukraine Humanitarian Appeal, a joint effort of the Ukrainian Canadian Congress and the Canada-Ukraine Foundation.

Your meaningful gift in support of the Ukraine Humanitarian Appeal is helping to provide humanitarian relief to displaced persons in the form of medical care, emergency shelter and food security. Thank you!

The Ukrainian Canadian Congress brings together all the national, provincial, and local Ukrainian Canadian organizations under one umbrella. The Canada-Ukraine Foundation (Charitable registration #: 89899 2151 RR0001) was formed in 1995 to coordinate, develop, organize, and deliver assistance projects generated by Canadians and directed to Ukraine. For almost three decades, the Canada-Ukraine Foundation has helped coordinate and deliver humanitarian aid to Ukraine as it strives to strengthen its democracy through economic prosperity and freedom.

Once again, our thanks for your commitment and steadfast support of CUF's critical mission.

Sincerely,

Orest Sklierenko,
President and Chief Executive Officer
Canada-Ukraine Foundation

SCHOOL MESSENGER STUDENT ATTENDANCE

**Download the
App today!**

School Messenger allows parents/guardians to report student absences, late arrivals, early departures and vacations by phone, web or smartphone app. Parents/guardians will report all absences through **School Messenger before 9:00 AM** and will not receive a phone call from the school. **Please do not email or leave voicemails regarding absences.** School Messenger will call home regarding all absences unless they are entered into the School Messenger system through one of the options below.

For safety reasons, in the event of an unexplained student absence, the system will communicate with parents in a timely manner.

There are three ways to report an absence:

Phone:

Parents/guardians can call the toll free number; listen carefully to all the options, choose the appropriate absence and reason; wait for confirmation number.

Internet:

Parents/guardians can log into the website:

<https://go.schoolmessenger.ca> and sign up using the email address on file at Sargent Park School and a password of your choosing. Absences, late arrivals, early departures and vacations can be reported.

iPhone or Android device:

If you would like to use an app on your smart phone:

1. Download the free app through the App Store or Google Play; search School Messenger; install the blue app and sign up using the email address on file at Sargent Park School and a password of your choosing.
2. Absences, late arrivals, early departures and vacations can be reported.

Absences must be reported to School Messenger no later than 9:00 am on the day of the absence.
