## Lunch Program

Please be aware that any registrations for Lunch Program are now considered late and late fees will be applied. If your child is staying for lunch at the school, they must be registered with the Lunch Program. If your child is not registered, you may receive a phone call and will need to pick your child up immediately. Please help us keep this program running safely for all students of Tyndall Park School. If you have any questions, please call the Lunch Program between 11am-1:30pm, Monday-Friday at 204-421-0065.

## Terry Fox Run

On Friday, October 1st, we held our annual School Terry Fox Run. It was a beautiful sunny afternoon and the classes ran in designated fields, which enabled us to be apart while still participating in something all together. Thank you to our Tyndall Park families for your generous support in making this event a huge success. Through your efforts, Tyndall Park School was able to donate **\$480.60** to the Terry Fox Foundation!!

## Truth and Reconciliation Day

Students have been busy learning and discussing Truth and Reconciliation Day and the meaning behind wearing the orange shirt. Classes participated in a collaborative piece of art around the school and talked about honouring the survivors and families that experienced residential schools.

An outdoor assembly was held on the afternoon of September 29th, where Principal, Mrs. Mospanchuk spoke to the students about the importance of Truth and Reconciliation, followed by a moment of silence to reflect on how each and everyone can participate in reconciliation.

Students in room 2 were treated to an orange shirt cookie courtesy of one of the student families.

## Photo Retakes

Just a reminder that Lifetouch Photo retakes take place on November 10th. While it is not mandatory to purchase photo packages, we would love to have all our students photos taken and added to our student yearbook for the office evacuation kit and for our library loan program. Student photos are also used for our Health Care Information sheets in order to quickly identify health concerns and can proceed taking care of a student based on their plan. Photos can be purchased online at the Lifetouch website including late orders from the September photo date.

## Grade Six Immunization

Grade six school-based immunizations are returning to the schools. Our date for grade 6 students is November 17th. This will be for the HPV9 and HBV vaccines. The second dose will be delivered in Spring 2022. Consent forms were sent out in late October. If you would still like your child to be vaccinated, please send in the consent form asap.

## WSD 150th Anniversary

We are very excited to be celebrating 150 years of the Winnipeg School Division. Several events are planned including the planting of 150 trees at some of our school grounds, and banners created by our schools will be on display in the downtown area.

Also, the Winnipeg School Division is publishing a 224 page, hard cover Celebration Book to commemorate our 150th anniversary. Our motto is a celebration through learning, history and storytelling. This book tells a story of the history of Winnipeg School Division schools and programs, past and present.

Pre-Order a copy of *Winnipeg School Division Celebrating 150 Years* for only \$10. Books can be picked up at a Winnipeg School Division school or shipped within Canada for an additional \$23. This commemorative book will be completed in the fall of 2021. Books will be shipped at that time and notification will be sent to you regarding delivery and pick-up.

# Room 6's Week at the Zoo!

From October 4<sup>th</sup>-8<sup>th</sup>, Room 6 enjoyed a weeklong residency at the Goodman School at Assiniboine Park. Each morning at 9:10 a.m., we boarded the bus for a bumpy ride to the zoo. By 2:30 each day, we'd be back at Tyndall Park. In between those two times, we saw and learned a ton about our natural world!

"We were active every single day!"

Ethan P.

"My favourite part was getting to watch the polar bears!"

Caylee C.

"Walking so much every day was tiring but we stayed strong!"

Jasleen M.

"I loved exploring Toucan Ridge!"

Sukhpreet S.

## A SNAPSHOT OF OUR WEEK

# Stay in school or stay home?

Children who are well should go to school – that means they have none of the symptoms of COVID-19.  
Students who have unwell siblings can stay in school, provided they are well  
and have no symptoms of COVID-19 themselves.

## FULLY VACCINATED STUDENTS must stay home if they...

- Are unwell or showing symptoms of COVID-19
- Are waiting for results of a COVID-19 test
- Have tested positive for COVID-19
- Have been directed by Public Health to self-isolate

## UNVACCINATED OR PARTIALLY VACCINATED STUDENTS must stay home if they...

- Are unwell or showing symptoms of COVID-19
- Are waiting for results of a COVID-19 test
- Have tested positive for COVID-19
- Are a close contact to a positive COVID-19 case\*
- Have a household member who has tested positive for COVID-19\*
- Have personally traveled outside of Manitoba in the past 14 days\*
- Have a household member who has traveled outside of Manitoba in the last 14 days and is now sick with COVID-19 symptoms
- Have been directed by Public Health to self-isolate

\*Unless Public Health communicates otherwise to the school principal

If you're unsure if your child should stay home or attend school,
