

Meadows West October 14 2022 Broadcast

Dear Families,

As weather continues to drop in temperature, please remember to send your child with a jacket and warmer clothing. Students will still go outside for learning breaks (recess) and may at times have a fire drill or evacuation practice that requires that they go outside.

As well, this week was Fire Prevention Week. We remind you to create a [Home Fire Escape Plan](#) at home with your family. This will help keep you, your loved ones and your neighbours safe from fires at home.

Please remember to watch out for children when you drop off your child at the bus loop. The crossing guards and patrols work hard to keep everyone safe and ask that you would follow their directions as they move traffic through the loop.

Stay well,

Brianne Hebert - Vice-Principal

Wayne Wyke - Principal

Out of respect for the Indigenous people of Manitoba, we at Meadows West School and the Winnipeg School Division recognize the school we attend resides on Treaty 1 land known as First Nations Territory as well as the Homeland of the Red River Métis.

Dear Families,

We are still requesting your help for our families. We appreciate the clothing and non-perishables that we have received. We will continue to accept items for one more week.

Thanks,

- Boys clothes size 10 youth
- Girls clothes size 7 youth
- Ladies clothes size large/size 12
- Mens clothes size large
- Bathroom supplies and toiletries (towels, wash cloths, soap, body wash, shampoo and conditioner, toothbrushes, toothpaste, dental floss, mouthwash, hairbrush, deodorant, etc.)
- - Non-perishables

Thanks for your support.

Staff Professional Development

On Tuesday, October 11th Teachers met together to explore the Indigenous map of Canada. Over the next month they will be incorporating their learnings into math, language arts, social studies, science, art, music and other areas of the curriculum. The map is very large and is situated in the gymnasium. Students are able to walk on the map and get a visual of what the land looked like before all the borders were drawn. We encourage you to ask your child about the map and what they have learned.
