October 11, 2022

Dear Kelvin Students and Families,

Kelvin Student Council welcomes you to this year's **Homecoming Football Game on Thursday, October 13 2022 at Kelvin's field; 4:30 PM kick-off.** The Kelvin Clippers will be competing against Sisler Spartans. There will be an opening game pep rally by Kelvin's Cheerleaders for our students prior to the game in E slot.

We invite you to come watch the football game. Student Council will be selling pizza, hot chocolate and baked goods during the game. All funds raised will be used for future Student Council events. Everyone is welcome to enjoy pre-game performances by our student musicians for this annual event. We encourage all students and family members attending to wear the Kelvin colors (cherry and gray), to dress for the cool football weather, and to bring your own chairs, as there is limited seating in our bleachers.

Lastly, Kelvin Student Council is teaming with the Rotary Club of Winnipeg's Indigenous People's Committee and the organization Share the Magic. This initiative is a book/clothing drive called Share the Magic in support of Northern Manitoba Communities. The project originated when one of our football players who has a strong connection to the Northern communities proposed the idea to Council. From October 11th to 14th, Student Council will be collecting winter clothing, books and magazines. Items can be brought to the front of the main office this week. We welcome families to donate gently used jackets, boots, books for all ages and magazines. Donations will happily be accepted on game day. A free hot chocolate will be given at the game for every donation.

We look forward to seeing you Thursday cheering on our team.

Kelvin Student Council
