

WHAT SHOULD I DO IF MY CHILD IS SICK?

Students should stay home from school if they are sick, no matter how mild the symptoms. If your child comes to school with any COVID-19 symptoms, the school will immediately isolate the student and call parents to pick them up.

If students have one symptom from Column A or two from Column B, they should immediately get tested for COVID-19.

Column A

Do you have a new onset, or worsening, of any ONE of the following symptoms?

- Fever > 38°C or think you have a fever or chills
- Cough
- Sore throat/hoarse voice
- Shortness of breath/breathing difficulties
- Loss of taste or smell
- Vomiting or diarrhea for more than 24 hours

Column B

Do you have a new onset, or worsening, of any TWO of the following symptoms?

- Runny nose
- Muscle aches
- Fatigue
- Conjunctivitis (pink eye)
- Headache
- Skin rash of unknown cause
- Nausea or loss of appetite
- Poor feeding (if an infant)

When can my child return to school?

If your child is tested for COVID-19 and the test result is:

-  **Negative:** They can return to school after 24 hours of being symptom-free.
-  **Positive:** Public Health will provide guidance regarding what is required before your child can return to school.

If your child is sick and you decide not to get tested for COVID-19 they must self-isolate for 10 days from symptom onset plus 24 hours of being symptom-free before returning to school.
